AMBASSADOR'S  
MESSAGE

JOHN DYER OAM

I have been privileged to have the honour of being the Ambassador for Soccer in South Australia.

This honour has been amplified with the advent of our Adelaide United Football Club surrounded by the professional and excellent promotion to an excited State audience.

This magnificent International game has the benefit of being a family orientated sport and this is quite evident in the make up of the spectators who the promoters have carefully catered for.

As long as we maintain the pre game format of matches including our women players, with also audience participation, the half time involving promotion of our youngsters, and the entertainment, the air of excitement that has been born with the new club will become the norm at our headquarters.

The overall benefit will be felt in all sections of our sport and the flood of sponsors attracted to the national competition will now look to the wider field opportunities to be involved with the growing popularity of our Adelaide United promotion.

Again I must stress the importance of the benefits to be gained by the promotion of our juniors, they are the future. The 'neutral' foundations of Adelaide United, which has been a key factor in the successful launch of the team, will allow schools and other junior sports promotion of our game to adopt the same theme of the Australian game.

We must remember that 'Success Promotes Success' and thank all the administrators of Clubs at all levels, the sponsors, the SA Government, the SA Soccer Federation, Soccer SA and principally, Mr Gordon Pickard AM and Fairmont Homes for what has been achieved in the matter of weeks by this miracle development.

Other sporting codes must have looked upon this Soccer phenomenon with envy and the newly structured National Soccer management with Mr Frank Lowy as Chairman, will surely use South Australia and Western Australia as the benchmarks for the future benefit of the Australian

Soccer promotion.

The spirit which is very evident with our team – and team is the key word – in any structure. Our Coach, John Kosmina is a team leader and he is ably supported by the Club Management with Mr Basil Scarsella AM as President.

The South Australian Soccer Federation and Soccer SA as representation of our international game supply the guidelines and set the standards in the many facets of the sport.

To all the teams, the administrators, the support staff, our spectators and the important sponsors, may you all enjoy the magnificent future that augers well for 2004.

I would recognise the earnest and successful role that our Chairman of the Federation, Mr Tony Henshaw has played in the marvellous development period with our General Manager, Tony Farrugia, again displaying his considered expertise in the structure. Our support staff under extreme conditions performed as a team and congratulations to Katie Altamura, Ryan Peremiczko, Monika Zochowski and one man that nearly gave his all, Rodger King, who collapsed the next day following that successful debut game – but he is now back, full and hearty, to continue his undivided support to all the soccer fraternity.

Thank you for allowing me the honour to serve.

be active.

## CHAIRMAN'S MESSAGE

TONY HENSHAW

What a year it has been for us at all levels – Internationally, Nationally and Locally!

In December we were given the greatest Christmas present of all – direct entry to the 2006 World Cup – we had all dreamed about it but never believed it would happen but it did!!

But in June, FIFA had second thoughts and by an all but unanimous vote retracted their promise leaving Oceania to ponder what qualification path it would have to endure.

My thoughts go with the then President of the Oceania Football Confederation, Basil Scarsella, who worked so hard to win the December ballot only to see it taken away six months later. It's history now that due to this decision, (and the very principles that led to it) Basil resigned his role as President of Oceania.

As we now know, Oceania (and FIFA's) loss was to be Adelaide's gain!!

The face of Australian Soccer as we have known it has changed forever, with the handing down of the Crawford Report back in April. Since that time we have seen the election of a new Board, the incorporation of a new entity and the ongoing restructure of the game at State level.

Already, negotiations are well under way with the new Australian Soccer Association for the implementation of a new constitution, and the coming together of all parties as part of Soccer in South Australia.

This process is proceeding in every state and the message is very clear – everyone is welcome to be part of what can be a very exciting time for Soccer throughout this Country – but we all have to learn to sing the same tune.

No doubt, under the strong leadership of Frank Lowy and his Board at the Australian Soccer Association, it will not be long before we can start reaping the benefits of stable and constructive management.

The Board of the South Australian Soccer Federation has been totally supportive of the changes,

recognising the need to unify the sport as one, if in fact it is going to be taken seriously within Australian sporting circles by Corporate and Government bodies.

We continue to support this process at State level, which will hopefully and at long last bring all sections of the sport together under one umbrella.

We have been meeting as a group, through Soccer SA, which has brought the parties to the table on a regular basis. Under the Chair of Gary Collis we have made some inroads into developing a plan for the future. What the Australian Soccer Association/Sports Commission model does do is consolidate and expand on the work already covered by Soccer SA.

We look forward to being part of establishing a new beginning for Soccer in this State through the unification of the sport at all levels. Then at last we can begin to reap the rewards that a united front can give.

On the local scene, we continued our 100 year celebrations in the first half of the year.

On 25<sup>th</sup> April we unveiled a plaque to commemorate the very first match played in the Adelaide parklands 100 years to the day. Our thanks to the South Australian Women's Association and clubs – Adelaide City and Metro-Stars who rescheduled their matches and helped celebrate the occasion. Our thanks also to the Mayor and Councilors of the City of Adelaide on arranging the plaque which will forever recognise that first match 100 years ago.

In May, I was indeed honoured to host a dinner to mark the first inductees in the South Australian Soccer Hall of Fame. The night was a resounding tribute to many soccer players and officials who had contributed to our game in the past. I must acknowledge the three "wise men" who spent countless hours researching through nominations and finally coming up with a list of South Australian Soccer greats to be inducted into the Hall of Fame in various categories.

To Denis Harlow, Jack Smith and Allan Crisp – thank you for your work and dedication to this ongoing project.

We also launched our publication '100 Years of Soccer in South Australia'. Authored by Denis Harlow the book is a "wisdoms" of Soccer in South Australia right back to the very first game on April 25, 1903. I know how hard Denis worked on this publication and the many hours he spent writing and researching to ensure accurate information. On behalf of all South Australian Soccer stakeholders I would thank Denis Harlow for his contribution which in itself, is a milestone in the history of our game.

Speaking of milestones, the face of South Australian Soccer changed overnight, in September, with the birth of the Adelaide United Football Club. Given only five weeks to build a team, search sponsors and, generate finance we have once again proved to the Australian Soccer public what we can do when we are truly united working for the same cause. Who could ever forget that first match on October 17<sup>th</sup>?

That night, could not have been possible without the support of the Clubs, Affiliates, sponsors and supporters who all rallied behind the concept realizing that time was against us.

But in particular, I must pay tribute to Gordon Pickard of Fairmont Homes, without whose support the project would not have got past "base one". Gordon's support and generosity is well documented. His vision and passion for our game, and to see it united, was the driving force behind his backing.

I made mention earlier in my report regarding Oceania and FIFA's loss of Basil Scarsella being Adelaide's gain! When the entity was born, who better to head it up but our own Basil Scarsella. The Board had no hesitation in the appointment of Basil as President knowing full well his no nonsense approach to the position and his ability to lead from the front.

On behalf of the Board I wish to place on record our thanks for the contributions of both Gordon and Basil in the establishment of Adelaide United. May we have many happy times in the future watching the team succeed!

Our State Team played Queensland in Rockhampton in October and I am pleased to report recorded a 2-1 victory. Congratulations to coach "Bugsy" Nyskohus, and players on their efforts. Thanks also to the support staff – Alan Horsfall, (Team Manager), Dr. Tom Mittiga, Peter Thompson (Trainer) and Joe Janko (Gear Steward).

In September 2003 South Australian Soccer was honoured when two legendary South Australian figures were inducted into Soccer Australia's Hall of Fame. Milan Ivanovic was inducted into the Hall of Champions for outstanding performance and Denis Harlow into the Roll of Honour for Meritorious Contribution. Congratulations to both recipients for achieving such a high honour.

At our Annual General Meeting we presented two players with their Player Life Memberships. Congratulations to Michael Brooks and Daniel Menechella who have both served the State Team and the Federation with distinction over a number of years.

On the same night Meritorious Service Awards were presented to three South Australian Soccer identities for their contribution to the game in South Australia.

Vic Gentile, Bryan Hearn and Steve Nikolic. Congratulations to all three.

Congratulations to all award winners presented at our Annual awards night. In particular, Serge Melta Medallist, Jim Tsekinis and joint Bob Telfer Medal Winners Tony Scalzi and Fraser Keegan.

Congratulations to all our League and Cup winners:

- Summer Night Series Champions – MetroStars.
- Federation Cup Winners – Raiders.
- State League Premiers and Champions – Campbelltown.
- Premier League Premiers – MetroStars.
- Premier League Champions – Adelaide Blue Eagles

I must again thank the Board of Commissioners for their support during this very busy year.

Each member of the Board undertook their duties with enthusiasm and commitment for each of the tasks presented to them.

John Dyer OAM was appointed as Ambassador for Soccer SA at last year's Annual General Meeting. Once again, John has undertaken the role with enthusiasm and his guidance and support is always appreciated.

Part of the overall cutting of expenses meant a cut back in staffing levels and staff having to undertake additional tasks. I wish to thank Tony Farrugia and his staff for their commitment and loyalty to our cause.

On behalf of the Board of Commissioners, General Manager and his staff, I wish all clubs, players and supporters, good luck for the forthcoming season and may your club be successful.

## GENERAL MANAGER'S REPORT

TONY FARRUGIA

Once again, over the past twelve months we have seen the face of our game change. Never before have we experienced the highs and lows in such a short period.

Firstly there was the ecstatic reaction to win direct qualification for the 2006 World Cup only to be completely shattered by the news in June that FIFA had rescinded their decision – leaving Oceania and Australia back to base one.

In April, the Sports Commission handed down the findings of the Crawford Report – which, as expected, had far reaching recommendations for the game both at National and State level.

The following four months created instability within the game until it was finally resolved to appoint Frank Lowy and his Board at the helm.

Since that time, the process for the uniformity of States, responsible to a common constitution has commenced. The SASF has been accepted as an "Interim Member" of the new Australian Soccer Association.

Under a new Constitution the structure of the Federation will significantly change. This Federation has been an advocate of the game being administered from the top down rather than from the bottom up. A new structure will see the WHOLE of the game and its constituents come together and while there may be a shift in the "political" administration of the game it is in keeping with the vision that this Federation has had for some time.

The exact timing for the implementation of this process is unclear, however, it is anticipated that a new Constitution will be put before the Council of Clubs early in the new year and the restructure

process complete sometime there after.

In September, we were greeted with the bleak news that National Soccer League pioneer Adelaide City Force would not participate in the 2003/04 NSL

Competition. The announcement was made only three weeks prior to the scheduled kick off of the League. This left us with the real possibility that, for the first time since the formation of the League in 1977, Adelaide would not be represented.

The Board considered this situation and resolved that some effort should be made to source funding – to at least seek representation in the League.

It's history now that with the support and financial backing of Gordon Pickard of the Pickard Group, Adelaide United was born.

While the Federation is the sole shareholder of Adelaide United, the team belongs to the whole of the Soccer Community and we have been overwhelmed with the support it has received.

The Board believed that the Club, while being an integral entity of the Federation, needed to be headed up as a completely separate entity. With this in mind, and in consultation with the Pickard Group, we were delighted to have Basil Scarsella appointed as the Club's first President – lending strength and credibility to the Club from its inception.

While we have been overwhelmed by the level of support to date we cannot get carried away. If the Club is to maintain its impetus then we must all remain committed to its basic principle – that is to remain United and support the club through thick and thin.

The continued success of Adelaide United and the implementation of a new constitution will hopefully remove the uncertainties which have faced our Federation in recent times making planning difficult and the acquisition of Corporate support almost impossible!

It would be remiss of me not to pay tribute to our member, Adelaide City, for their great contribution to our State and our game since the inception of the NSL in 1977.

Once again, the Federation promoted Adelaide as an ideal training venue for professional Japanese teams. In 2003 Tokyo Verdy held their training camp in Adelaide and I must place on record my sincere appreciation to all those involved in making it so successful. In particular, Campbelltown City Soccer Club who were great hosts for training sessions and matches.

Our "product" is well respected by Japanese Teams and in 2004 will see some high profile teams return to Adelaide. The Japanese Football Association Olympic Team held their camp in Adelaide in late January while the biggest of the J-League teams, Urawa Mitsubishi Red Diamonds held their pre season camp here during February.

As stated earlier, the publicity the game has generated in recent times have made it almost impossible to generate confidence within the Corporate world to attract sponsorship to the game. Hopefully with a new united structure and a successful Adelaide United FC as our flagship, the Corporate world will sit up and take notice of how good our product really is.

Congratulations to all those inductees to the initial Hall of Fame. The night of celebration was an outstanding success as we recognised our past with such dignity and pride.

During the year we also launched our book – 100 Years of Soccer in South Australia. We can all be

proud of its presentation and contents which covers each and every area of the game and this Federation for the past 100 years.

That man Harlow! What an outstanding individual – his talents unlimited, his dedication unquestionable, his persistence immovable, his love of the game and South Australia passionate. Thank you Denis.

I must acknowledge the fantastic support I receive from Chairman Tony Henshaw. A General Manager cannot operate without the unqualified support of his Chairman and I am lucky to have a person of Tony's ilk who is always there for you.

The Board of Commissioners have at all times been supportive of the Administration and Members acting in the best interests of the organisation – freely giving of their time and energy.

At the time of writing the second Bianco Summer Night Series, is being hosted by the Adelaide Blue Eagles at their Marden Complex. We must congratulate Rep Giordano and his committee on the organisation of a successful tournament.

Last year, the Premier and State League seasons were the closest contested in many years.

In the Premier League, MetroStars took out the Premiership while the experienced Adelaide Blue Eagles added the 2003 Championship to their already impressive silverware.

In the State League, Campbelltown City, took all before them and won both the Premiership and Championship.

Our thanks to the sponsors of the Top Five series – Fairmont Homes and Bianco Building Supplies – great supporters of soccer in this State.

Raiders went into the 2003 Federation Cup final as underdogs and came home with the Cup in a resounding victory over favourites MetroStars.

In a closely contested count – not determined until the very last round, Jim Tsekinis of Enfield City was

awarded the coveted Serge Melta Medal as the Player of the Year in the Premier League.

Fraser Keegan (Adelaide Hills) and Tony Scalzi (Campbelltown) tied for the State League's Player of the Year award – the Bob Telfer Medal.

Thank you to all our sponsors who have remained loyal to our game at a local level.

Once again, the Office of Recreation and Sport has been generous of their support of all sections of the game through the Management and Development Grants. Thank you to Minister Michael Wright, and CEO Phil Hamdorf for their continued recognition and support.

Community Radio was once again a great support for the Premier and State Leagues and we sincerely thank all sections of community radio for their support. In particular:

Rob, Val, Paul, Tony and crew at 5RTI provided direct broadcast of a Premier League match each week.

The Sunday morning Soccer Show hosted by Donald Campbell and panel Gary Collis, Eric Norman and Margaret Bowden has become a "must listen" for all Soccer Fans.

While we had breakfast each Tuesday with Allan Crisp, Angelo Picca and Aurelio Vidmar listening to the 5RPH Soccer Show.

This year we broke into the "Commercial Radio" market with Five AA proving how popular soccer is with their two hour Sunday evening program, hosted by Chris Dittmar and panel, Angelo Picca, Aurelio Vidmar and John Perin.

Five DN are providing direct broadcasts of all Adelaide United FC matches and also have a one hour Soccer Show on Saturday afternoons. Thanks to Dominic Rinaldo, Alby Kidd and Frank Michelon.

The Advertiser continued their extensive coverage of National and Local Soccer and our thanks must go to

Meno Toutsidis for the comprehensive support, which he has given to Adelaide United. Also, our thanks to David Valente and Andrew Holman for their continued support and coverage of Local Soccer.

Val Migliaccio ensured that all results and reviews were comprehensively covered each week in the Sunday Mail.

On a sad note, we lost some very valuable members of our Federation during the year none more than former General Secretary, Peter Nikolich. To me personally Peter was a "rock", a person who I would often confide and seek his opinions, interpretations and above all guidance. To his wife, and family I offer our sincere sympathy.

Once again we have called on the Federation Staff "beyond the call of duty" and they have all responded with enthusiasm – particularly when one considers our numbers were reduced and their input to the formation and Administration of Adelaide United.

To Katie, Rodger, Martyn, Monika, Wendy, Lia, Ryan, Chris K, Chris T and Lukie – thank you so much for your understanding, loyalty and support to me as General Manager, to the Board of Commissioners and in particular to our Members.

In closing, I wish to thank the Clubs and Members for their support during these difficult times. With a new regime in control of the game – Australian Soccer Association – I truly believe that we have an opportunity like never before to move forward.

**Change is inevitable.** In this case it will restore faith into our game. Lets not be followers but pioneers and support those who have the same vision and passion as ourselves to ensure that this great game is elevated to the great heights it truly deserves.

## The Birth of the Peoples Club

September 2, 2004 will go down in history as the day Adelaide United

Football Club was born. For it was on this day that the South Australian Soccer Federation in conjunction with the Pickard Group agreed to a joint venture for the formation of a brand new team to play in the 2003/2004 National Soccer League competition.

After many years in which Soccer has floundered, not really going anywhere, finally a new Soccer Team targeted to ALL South Australians – truly the "People's Team". Adelaide United was prematurely born, due to the withdrawal of the Adelaide City Soccer Club, who, three weeks prior to the National League kicking off advised that they would not be participating. This left the real possibility that, for the first time since its inauguration in 1977, Adelaide would be void of a team participating in the National Soccer League.

While there were calls not to enter a team in the competition in 2003 the Board of the South Australian Soccer Federation resolved to do all things necessary to, at least, make some attempt to enter a team into the competition. This included:

1. Raise the necessary Capital required (or find an underwriter to the expenses) to successfully field a team in the National Soccer league in 2003/2004.
2. Ensure that the National Soccer League would accept a late entry of a team "sponsored" by the South Australian Soccer Federation.
3. If successful then seek postponement of the Clubs first three matches.
4. Build a playing squad based around the former Adelaide City playing squad and players of the Premier and State League competitions.
5. Seek out the services and availability of a suitable qualified coach.
6. Staffing requirements.

Within 24 hours of making the call, the Pickard Group agreed to underwrite all costs associated with the establishment and running of the new team in its first year, the National Soccer League and its Clubs, gave its endorsement for the Federation to sponsor a team in their League, and grant postponement of the clubs first three scheduled matches.

It's history now that on Friday October 18th – Adelaide Soccer truly United with the first match of the Club at Hindmarsh Soccer Stadium against the Brisbane Strikers. We could not have hoped for a better start – capacity crowd of over 15,000, sponsorship support at an all time high and to cap it all off a 1-0 win!

### COACH – John Kosmina Played for

### Coaching Appointments

Warringah Dolphins (NSW), Newcastle Breakers, Brisbane Strikers, Adelaide United

In its short existence Adelaide United has captured the imagination of the South Australian Sporting Public. It is now recognised as a South Australian sporting icon, averaging home crowds of 12,500 – breaking the 100,000 spectator barrier after only 8 home matches at Hindmarsh Stadium. The best part about Adelaide United Football Club is that it belongs to the people of the game and under the Presidency of Basil Scarsella as custodian of the Club, we can rest assured all sections of the Soccer Community will always feel an "ownership" of this Club – after all it is the Peoples Team!

### GORDON PICKARD AM

There is an old adage that "change for the sake of change achieves very little – but to change a situation so that one can influence a successful outcome is worth doing".

That is why I decided to get involved and back a South Australian National Soccer League team representing the whole of the soccer community and all South Australians in the national Competition.

Recognising that there would be considerable restructuring taking place at the National level over the next few years and how the competition will be conducted, meant it was essential that we laid down good foundations during the 2003 program for Adelaide United Football Club, which I am sure all would acknowledge has been achieved above expectations.

Whilst there are a number of influencing factors in the success of AUFC, one can not overlook the support and contribution made by the South Australian Soccer Federation and the support of all the Soccer Clubs and associations at all levels. I acknowledge the tremendous support that I have received from industry, which is evident by the number and calibre of willing sponsorship contributions received.

South Australia's past history at the national soccer level is well documented and it was always our intention to build on this success set by past participation. It wasn't long ago that South Australia was recognised nationally as the "Capital of Soccer" in Australia. It is hoped that with the birth of Adelaide United we can again assume that mantle.

It was my philosophy that we should use these past experiences and knowledge to build a new style team, that suits today's needs and has a vision for the future. A successful catalyst was to ensure the team was broad based, thus insuring support

from the entire soccer community.

Whilst everyone likes to win, and of course this is our objective, the main goal for Adelaide United Football Club is to consolidate and be competitive on (and off) the pitch. Whether we ultimately become premiers or not, is not so important, providing as its name suggests, that we present a professional United front at all levels. This has allowed us to field a team that South Australians, and for that matter all who participated, can be justly proud.

I would also finally like to acknowledge all of those people directly and indirectly associated with the development of Adelaide United Football Club. Without individualizing, I must single out the President Basil Scarsella, without whose passion, dedication and foresight in bringing together the whole of the soccer community our task would have been most difficult – if not impossible.

Finally, I take this opportunity of wishing all Clubs, Players and Officials of the Premier and State League every best wish as you strive for success. You now all have a sense of belonging, as together we build a new South Australian sporting icon – respected by the whole of the South Australian Sporting community.

## A MESSAGE FROM THE PRESIDENT AUFC

BASIL SCARSELLA AM

As the South Australian Soccer Federation (SASF) state and premier league clubs embark on the 2004 season, it gives me great pleasure to be contributing to the 2004 SASF year book on behalf of Adelaide United Football Club (AUFC)

Tony Henshaw and General Manager, Tony Farrugia in ensuring that the state and premier league clubs have supported the AUFC in everything we have done. The support includes the use of your players, the selling of tickets, the reception when

visiting your clubs and importantly, the general positive co-operation received from everybody.

What I think makes the AUFC positively stand out when compared to other NSL clubs in Australia, is our great relationship with the SASF and their members.

There is no doubt that in our first season, the AUFC has been successful both on and off the park, the challenge for all of us is to ensure that the success continues in future years and we are not seen as a one year wonder.

In order to ensure the continued success, we must continue to work together and strengthen that relationship for the benefit of the sport and our respective organisations.

The success of the AUFC does not belong to any particular individual, however we must always recognise the Pickard Group's financial backing which has made the Club's existence possible. Aside from this contribution the success is due to the support the AUFC has received from the South Australian public, corporates, media and soccer stakeholders.

Thank you for supporting the AUFC and I look forward to an exciting state and premier league season which will discover more South Australian talent that will be given an opportunity to represent the AUFC in the future.

## GENERAL MANAGER'S REPORT

SAM CICCARELLO

At a policy and governance level we have a Management Committee with well-credentialed representation from the soccer community and business sector. The Administration, which through the General Manager reports to the President of the

Management Committee, consists of six functional divisions:

### Football

We provide administrative support to ensure the efficient operations of the football department and that it is adequately resourced. As directed, negotiate player contracts and support staff agreements.

### Finance and Administration

Liz Davison is our Administrations officer and assists in most areas of our operations including ticketing, community relations and event management. Liz has an extensive and successful career in major events and facility management.

Our financial reports are now prepared by Ernst and Young, with day to day accounts and book keeping to be managed by accounting firm Coleman and Badman. Significant organisational support has been provided by Fairmont Homes, specifically their CFO Brett Graham in relation to setting up our account recording and financial reporting systems. Special thanks to Brett and also the SASF's Monika Zochowski for her day-to-day management of the accounts.

### Marketing and Promotions

Headed up by Angelo Picca, who has wide experience in the marketing field and in a soccer-operating environment.

Angelo is responsible for putting into place our marketing and promotional plans, including brand and image building, sponsorship procurement and the sale of corporate facilities.

It's not often that one gets the opportunity to be a part of something from its point of genesis and to help put in place the framework for its operational conduct.

The foundations for Adelaide United were put in place by the SASF, our patron, Gordon Pickard and AUFC President Basil Scarsella. Their vision, which we all share, is that the world game deserves to flourish and take greater hold, not just in our own state, but also throughout Australia.

Statistics have shown us for some time now that soccer is the number one participation sport with children 16 years and under. And in South Australia alone, nearly 40,000 kids and adults are actively involved each week in the sport.

Soccer is alive and well. The challenge for the National Soccer League clubs is to lift the standards and set new benchmarks on and off the park, which will rejuvenate the sport and better position it in the public market. We are a sport but we're also entertainment, so, it's the total package that counts.

Adelaide United can't transfer through marketing and promotional campaigns our passion for the game to others at will. But key tasks are to increase its visibility and build interest in and spectator support for soccer right across the community. No particular sectors, just the brand South Australia. From an administrative and operational perspective, Adelaide United can contribute to the public's acceptance of the sport by ensuring that it is totally professional in all that it does. Our vision is not to be the biggest; nor is it to be only the best-managed National Soccer League club in Australia. We are just four months in to our existence so we still have a great deal to learn and achieve in setting out to also be the standard bearer in Australia in running a professional club and sporting business.

Alison Papas assists Angelo with the administration, delivery and servicing of the marketing and promotion's function. Alison has recently graduated with a Marketing Degree and along with Liz Davison is a key point of contact for our stakeholders and clients.

A great deal of thanks for the marketing and corporate sales success of Adelaide United is also due to the commitment and support of Fairmont Homes, especially Gordon Pickard, Ron Wall and Ines Stangherlin.

#### Media

In conjunction with the Marketing and Promotions roles, Angelo Picca manages Adelaide United's media responsibilities.

Given one of the club's objectives is to build a viable club for all South Australians, media strategy is to ensure Adelaide United, and soccer generally, gain credibility and on-going positive exposure through the general media as well as soccer specific media.

#### Hospitality

At each match nearly 700 guests of corporations, sponsors and businesses dine in the various corporate hospitality facilities at Hindmarsh Stadium.

The Corporate boxes on level 4 and the President's Club suites located on level 2 in the Western Grandstand were completely sold out for season 03 / 04.

Alison Papas assists the General Manager with the delivery of Corporate hospitality services, with match-day only staff hired in to host the facilities and in general co-ordination.

#### Event Management

Event Management relates to all support activities, events and pre-match entertainment outside the NSL match proper. All AUFC staff are involved in the event management team and are also assisted by Ron Wall and Ines Stangherlin of Fairmont Homes and Tony Farrugia, Katie Altamura, Rodger King and Ryan Peremiczko of the SASF.

#### Summary

At the time of writing this report, Adelaide United had just undertaken a series of reviews to assess its organisational and operation performance, which included a number of meetings with key stakeholders and constituents to obtain commentary and feedback as to where we needed to improve. Improvement is continuous as is setting higher and more challenging standards. As a professional manager it is enjoyable working in such a dynamic environment but my greatest satisfaction in my role with Adelaide United – and by association rather than by direct contribution, is the manner in which soccer is being talked about so positively and by so many new to the sport.

In concluding I convey my thanks to Gordon Pickard, Basil Scarsella, Tony Henshaw, Tony Farrugia and the SASF for allowing me the opportunity to date to be involved in Adelaide United F.C. I also thank the small but talented and enthusiastic administrative team from Adelaide United and Fairmont Homes; the coaching and football support staff and especially the players. It's terrific to be part of such a great team.

## MARKETING THE ADELAIDE UNITED FOOTBALL CLUB

### ANGELO PICCA - MARKETING MANAGER AUFC

It is not often that one gets the opportunity to work and contribute to the sport one grows up with and loves. Well, I have to say that I am honoured and delighted to be working for a Club such as Adelaide United Football Club.

The Board of Management of Adelaide United has delivered a team that the whole of the soccer family and importantly, the South Australian public, has grown to love, "The People's Team", - Soccer at its best, to reignite South Australia as the Soccer Capital of Australia!

In its short existence, and with the support of all, Adelaide United FC has made some marvellous achievements including:

- Established and positioned itself in the Adelaide market place very quickly and is now well supported by the whole of the Soccer Community.
- Initiated affordable ticketing and promoted accordingly, to encourage soccer fans to attend but also to make the product and event "interesting" to other sporting fans and to all South Australia fans in general.
- Changed the poor perception of the code of soccer in the State of South Australia to encourage people to believe in the new product, the brand and the entertainment presented at each home game at Hindmarsh Stadium.
- Initiated a team strip that adopted the South Australian traditional colours so as to create an immediate affinity and mass appeal with SA fans.
- Created a fresh new logo like no other in the league, and created a new product and brand for the South Australian and Australian market place.
- Established a new relationship with the Government of South Australia and a healthy status regarding the lease of Hindmarsh Stadium.
- Initiated a marketing plan to bring all major SA Corporate and commercial partners that had previously not had an involvement in soccer.
- United enjoys a good rapport with the mainstream media and the feel and fresh new look of the club has enthused even the non-soccer sports presenters on television, radio and print media.

- Home games at Hindmarsh Stadium, have attracted in excess of **150,000 fans through the gates averaging 12,500 fans per game** – attracting more spectators than any other team in the NSL!

Communication, promotions, publicity, media and commercial partnerships are key words in the drive to ultimately fill the stadium.

**In conclusion I wish to outline some of the objectives Adelaide United will focus on for the imminent future.**

Adelaide United's aim is about growth and retention.

- This means that United will focus on retaining the corporate and commercial partners and initiate strategies to procure new sponsors for next season.
- Retain the current ticket holders and build on next season from the current position. Continue to initiate surveys to ascertain what our fans want.
- Maintain healthy relationships with the media and continue to re-assess the way we operate to continuously improve.
- Meet regularly with the stakeholders (ie soccer community), to ensure that the soccer associations have a say in the future direction of the club.
- Ensure that players are actively involved in promotions and publicity to continue to build profile with more interviews with the electronic and print media.
- Step up the advertising campaigns with the current commercial partners to maintain awareness and profile of the Adelaide United brand.
- The growth of "The Stand" Adelaide United's official supporters group to continue to boost Adelaide's home ground advantage at Hindmarsh Stadium.

JOHN KOSMIMA - COACH ADELAIDE UNITED

As a kid growing up in Largs Bay back in the 60's my father would bring home the federation yearbook and I remember reading it front to back ad infinitum. Now I get to write in it and hopefully some kid might read what the book has to say and get the same enjoyment I got from it all those years ago.

At the end of the 2002/03 NSL season I decided to have a break from soccer. After 30 something years of playing and coaching I was somewhat disillusioned with the lack of direction in the game. I was frustrated with hearing the same old rhetoric every few months about what the game needed to make up the ground lost to rival football codes; to make it a credible and viable sport in the hearts and minds of mainstream sporting Australia. To make it the sport of choice for the thousands of kids that play and the thousands of fans that watch sport of any kind every weekend in this country. Then along came Adelaide United. After speaking with the President, Basil Scarsella it took me all of 30 seconds to make my mind up about coaching the new club. What an opportunity! Life is all about timing and the timing of Adelaide United's birth was perfect. The mechanics were right. Frank Lowy had just taken over the leadership of Soccer Australia and the mood of change was in the air. Adelaide for me has always been a soccer city. There is a "football culture" that exists here like no other place in the country. The philosophies of the club were right and the people were right. It had to work. It was a great opportunity for me personally to get involved in a new and progressive club and help build it from the ground up. And it was home, so here I am.

Putting a team together wasn't that difficult. The "nuts and bolts" of Adelaide City were available and having coached for eight years previous in the NSL I knew or knew of most of the players. I was aware of one or two players outside of the core group and took advice from Aurelio Vidmar (captain/assistant

coach) and John Perin (football manager) on a couple of others. Presto, instant NSL team. Sounds simple doesn't it and it was because I believed in what we were trying to achieve as a club and the way it was being done. The players believed in what

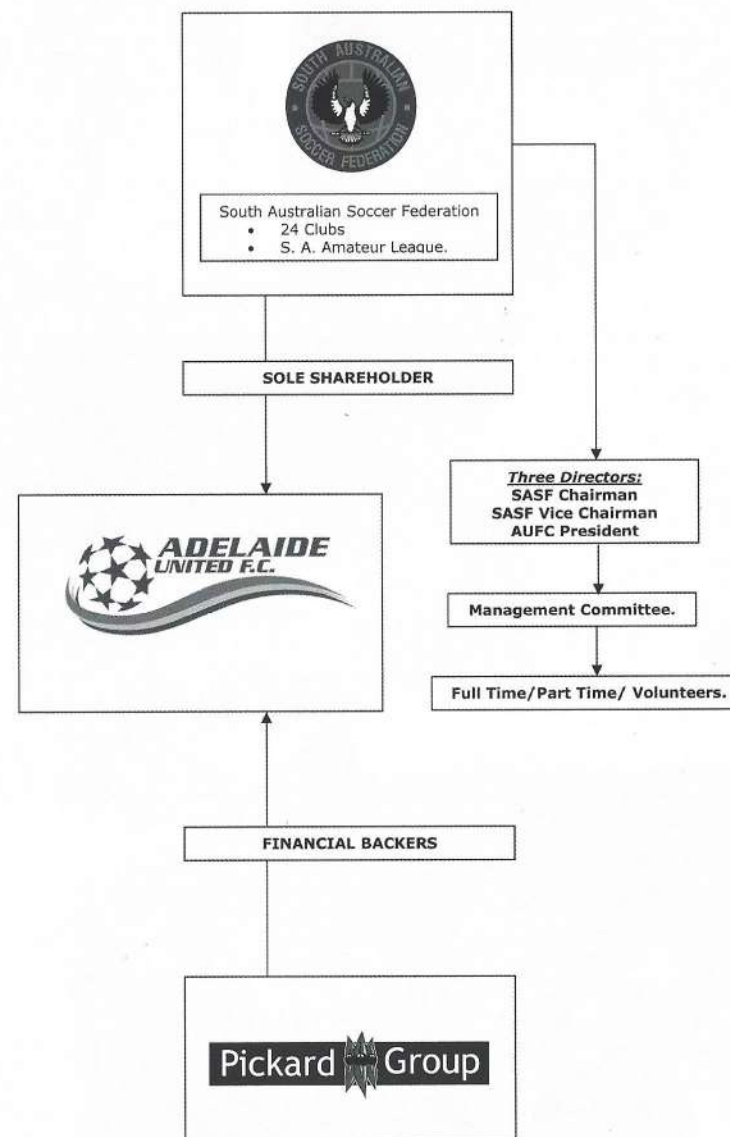

was happening and that made things all the more easy. It was an opportunity for them as well, a chance to be a part of history. Now they already are. October 17 2003, our opening match at Hindmarsh Stadium is now part of South Australian soccer folklore. A full house, 15,600 fans, thousands turned away and a 1-0 victory. That night will live long in the memories of those that were there. The feeling in the air before the game was so thick you could cut it with a knife and those emotional final moments before the final whistle blew still send shivers down my spine every time I think about it.

Why did it all turn out so well that night? Why have things gone so well since then? Because Adelaide United is a team for South Australia. It has brought the soccer community of the state together for the first time and people are working together, pulling in the same direction. There is a common goal and it is the right goal. Adelaide United is a club for the people.

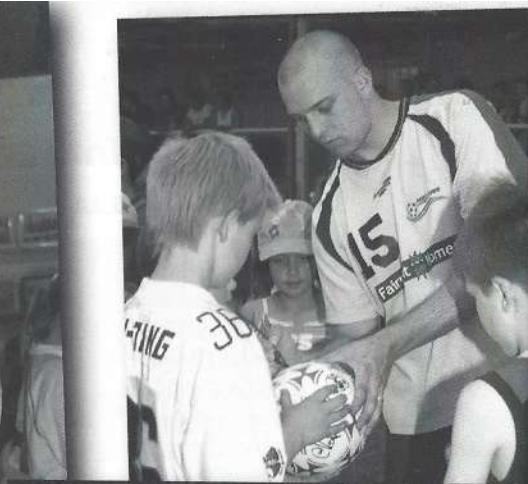

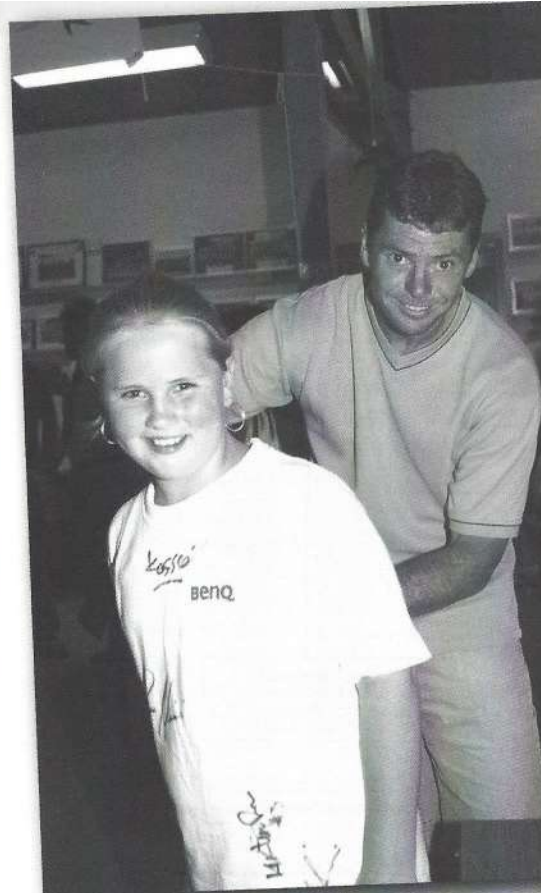

It is also a club for the young players of S.A. As I mentioned there is a wonderful soccer culture in Adelaide and I firmly believe the future players of this club are right here on our doorstep. There is more than enough talent available to build a strong team for many years to come and in doing so grow the Adelaide United family and strengthen our ties with the local soccer community.

In closing it would be remiss of me not to mention Gordon Pickard. It was and is his generosity and foresight that made this all possible and I thank him for that. To Basil Scarsella for giving me the opportunity, thank you. Thanks also to the management of the club. You are great at your jobs and even better people. Finally to the players. You make my job so easy.

## BLUE EAGLES

The 2003 season commenced with a new look Adelaide Blue Eagles on the park with a new coach Dragan Sipka taking on the responsibility of continuing the Clubs decorated history in the Premier League.

Dragan quickly earned the respect of existing senior players and the exciting young players by adopting a style of soccer based upon skill, tenacious thirst for the ball and tireless support for your team mates. The players, officials and supporters were united in their support for Dragan.

The addition of two Argentinean players eight games into the season boosted the clubs player depth. The fusion of young players, imported players and established players enabled the team to play an attractive style of soccer, which secured the team a place in the final five. Dragan had fulfilled his ambition of making the final series.

The determination of the players was on display for all to see in the qualifying final to snatch victory from the jaws of defeat finishing with ten players on the pitch and a list of injuries for the Grand Final.

The fairy tale ending to the 2003 season is now history and the records will show, "Adelaide Blue Eagles as the Champions for 2003" and the first for the new coach Dragan Sipka. It was a great team effort and words cannot explain the feelings and emotions that swept us all away on the night.

A special thanks to the supporters and sponsors of the club especially JS Fashions, MMC Investments, Serafino Wines and Direct Interiors.

Best wishes to all players, clubs and supporters of the game for the 2004 Season.

Adelaide City Force have never been a goal scoring machine but after equalling it's second biggest winning margin in 27 seasons in the NSL (6-0 v Northern Spirit), Force missed out on playing Perth Glory in the 2002/2003 NSL Grand Final.

Force needed Olympic Sharks to draw or lose against Parramatta Power in Sydney. With approximately

20 minutes to go, Parramatta were leading 1-0 but disaster struck and the Sharks scored twice to set up a repeat of last year's Grand Final against Perth Glory at Subiaco Oval. As events turned out, this would be Matic's swan song as coach of Adelaide City Force.

On August 31, 2003, members of Adelaide City endorsed the Board's decision to officially pull out of the National Soccer League.

### For the Record – some of City's Proud History

Adelaide City Force was a Founding Member of the NSL and is one of three teams to have played in every NSL season.

- played in a record 4 consecutive Grand Finals in the early 1990's
- played a record 768 NSL matches and won Championships in 1986, 1992/3 and 1994/5
- in early 1990's, made up half of the Socceroos side, with then captain Alex Tobin also leading the National team
- it's final game was a 6-0 thrashing of Northern Spirit in May, 2003
- coach Zoran Matic held the reins at Adelaide City for an NSL record of 468 games, winning 3 Championships and 3 National Cup Competitions

### Premier League

Under coach Cosi Salerno, Adelaide City's Premier League team completed season 2003 in 8th position. Rob Cornthwaite won the Best and Fairest Award and Jason Spagnuolo the Most Improved Player Award. Mimi Saric was Top Goal scorer with 9 goals.

Season 2004 brings a new Head Coach to the club in Ennio Luongo, former Croydon Coach and Adelaide City Player.

The junior section of the club continues to grow at a fast pace with a record number of teams.

Adelaide City sincerely thanks all of our members and supporters for their support during the season. Also City's Major sponsor, "Best Bricks and Pavers" and all other sponsors and City looks forward to your support for 2004.

Although the club has returned to its original status as the West Torrens Birkalla Soccer Club Inc, the team will continue to play under the Adelaide Galaxy name.

The season will be one of the most important in the club's history. The team has lost a number of players from last year but we see this as a challenge and an opportunity to rebuild the team with younger players

as the club is strongly committed to Junior Development.

The appointment of Terry Hayes and his coaching staff reflects the clubs direction in the rebuilding process and the promotion of the youth development program.

We thank all our sponsors, volunteers, members and supporters for their never-ending support and commitment. In addition our special thanks to the West Torrens Council for their continued support.

Over the past three years of private ownership, Mr Makris has upgraded our facilities and we are indebted to him for this. We are pleased that he has accepted the position of Club Patron for the 2004 season.

With the new board under the Chairmanship of Andrew Stathopoulos, the return of the former Chairman, Bruce O'Daniel, and under the guidance of Jack Smith, we will be served well for the challenge ahead.

Finals football again eluded Adelaide Olympic in 2003 after a very poor start to the league season. A midway change of senior coaches salvaged 2003 for Olympic which, under the guidance of Zoran Karadzic began to produce its promised form in the second half of the season. A late run of wins saw Olympic miss the finals campaign by one game.

With a new management board and new Coach Robbie DiTroia, Olympic is looking optimistically towards 2004 and playing finals football for the first time in its brief history in the Premier League.

The club will continue with its development of junior players at its historic B27 facility, which is now the biggest and best Junior Program in South Australia. This year will also see the start of the building program for its new Headquarters at Regency Park.

The club looks forward to working with the soccer community, its major sponsors Bianco Building Supplies and all its other valuable sponsors. An organization as big as Olympic requires many contributors and as such it extends a big thank you for all the volunteers and junior and senior board members for their untiring and valuable efforts.

Olympic in 2004! Here we come.

## RED DEVILS

Campbelltown City Soccer and Social Club Inc, experienced a very successful 2003 season, winning both the State League Championship and the Top Five Play off. We look forward to our re-entry to the Premier League competition after an absence of only one year.

Being relegated to the State League, gave the club an opportunity to review its structures both on and off the playing field. We were able to gather a group

of players who gave their "heart and soul" to Campbelltown and under the expert guidance of our senior coach, Maurice Natale, collaboratively worked towards the achievement of one common goal, Regaining Premier League Status. The outstanding teamwork also filtered through to our U/23's and U/19's. Their success may be attributed to the players and their respective coaches, Ray Deeley and Frank Pettotta. It is "heart-warming" to see that our current senior coaches have continued their association with the club that they so capably represented as players.

We wish to take this opportunity to thank all State League teams and their committees with whom we developed an excellent rapport throughout the 2003 season and look forward to renewing our acquaintances with the Premier League teams and their administration during 2004 season.

From an administrative point of view, we were able to restructure our Management Committee and ensure that all portfolios operated efficiently. This proved to be a successful venture, as we celebrated our 40th Anniversary and acknowledged the excellent support received from the Campbelltown City Council, our sponsors, members and the local community. Our "Web Page" was also a welcomed achievement and a special thank you is extended to Mr Bob Kerr. We are confident that we have the structure in place that will ensure the financial well-being of the club, for many years to come. The Campbelltown City Soccer and Social Club is a community based club with many people contributing to its success. Thank you to all those who have contributed and our doors are open to one and all in 2004.

## THE KINGS

2003 has proven to be a year of consolidation for every one at Croydon. After losing no less than ten players from our Senior Team from the successful 2002 season, including the top six goal scorers (34 goals), we continued to put a lot of faith in our promising younger players. As a result, the club has reinforced its position in the Premier League and the prospects for the future look bright.

Congratulations to Shane Porter who took over after Ennio Luongo resigned mid season, and all the other Coaching Staff, Players, Team Managers, Trainers and Committee members for a job well done in season 2003. We were pleased to retain Shane's services this year and will now call on his years of experience as he takes on the role of Senior Coach for the 2004 season.

The club is strongly committed to Junior Development as we recognise that the young players are the future of soccer, not only for our club, but also for the State, the new Adelaide United Soccer Club and indeed Australia. This year, already with a relatively young squad, we introduced no less than ten new juniors under the age of 21 (the youngest being 15 years of age) into our Senior Team.

During the 2003 season, all of our junior teams were competitive in their respective competitions and we are looking forward to the 2004 season when the club expects to field twelve teams in the Junior Competition.

We greatly appreciate having the Powerstate Credit Union as our Major Sponsor during 2003 and are pleased that they will be continuing their support during 2004. We also thank Croydon Foodland, Standom Smallgoods, Fulham Funerals, Bridgestone Tyres at Croydon, RBH Building Supplies, Nippys and our other sponsors for their continued support to the club.

We are looking forward to the challenge of another season in the Premier League and we take this opportunity to wish all clubs the best for the new season.

## THE FOXES

Season 2003 was the 60th Anniversary of Cumberland United, and it was celebrated on and off the pitch with events throughout the year.

Cumberland launched its new playing strip and a new look logo, and 2003 saw the introduction of our mascot "Foxy".

But by far the most successful part of the season was our promotion to the Premier League in 2004, a goal that was relentlessly

sought after by coach Serge Melta and the playing and coaching staff all year. The senior team won 17 games and also made the Grand Final and the club looks forward to its return to the top flight in the coming season.

The youth at Cumberland United continues to excel with all our sides being highly competitive in their age groups. The U/19 and U/13 teams both made the finals of their Cup competitions and the U/17 and U/13's winning their respective league competitions. For the second year in a row we were crowned overall top club at the Strikers Carnival, and this season has seen many of our player's progress to play representative soccer.

The Cumberland United Soccer Academy has been formed after the club entered into a very exciting partnership with Parramatta Eagles Soccer Academy who are the Official Youth Development Partners of Manchester United in Oceania. This exclusive arrangement gives our players the opportunity to reach their full potential under the proven and highly successful training methods of Manchester United.

Cumberland United continued to field teams in the Women's Leagues and was very happy with the improving standard of the "Vixen's" in the club.

The club would sincerely like to thank its sponsors in 2003, A.R. Leane & Sons Electrical Services Pty Ltd, Romeo's Mitcham Foodland, Pedros Pizza, Ray White Real Estate Unley, Home Mortgage Services, Transport Training Centre SA Inc and Shenannigans Irish Pub. We look forward to the continued support of our valued sponsors in season 2004.

Finally Cumberland United wishes to extend a warm welcome to all the new players, families, supporters and volunteers who make the journey to the "foxes den" in 2004.

With the re-appointment of our successful coaching combination of Senior Coach, Robbie DiTroia, his Assistant and Under 23 Coach Peter Cristarella and Under 19 Coach Ralph Pinneri we set about the task of recruiting experienced players to ensure we would be very competitive in our first year back in the

Premier League.

Our recruiting strategy was very successful with the acquisition of several experienced Premier League Players and with our aim for the year being to survive our first year back in the Premier League we surpassed this aim by narrowly missing the Top 5 Series play-offs.

With our Under 23 team coached by Peter Cristarella winning the Top 5 series and Jimmy Tsekinis being awarded the Serg Melta Medal for Player of the Year we felt our first year back had been a successful one.

With the appointment of Milan Ivanovic as Senior Coach, the appointment of Peter Cristarella as his Assistant, the retention of our experienced Premier League Players and the successful promotion of our talented junior players to the Senior Squad we expect to have a successful 2004 season.

We would like to thank our Sponsors and supporters for their invaluable support and we hope this support will continue for many years to come.

The Jets approach season 2004, the clubs 40th Anniversary year, with a great deal of enthusiasm. Various celebratory events are being planned including a gala dinner to honour all past and present players, members, committee members, sponsors and supporters. There have been many good and fond memories for lots of

people who at sometime or other have been associated with our club over the past 40 years. The date has been set for Saturday 22 May 2004 for the big event, so contact the club for further details.

A very big thank you to all our sponsors in 2003 as we value your commitment to the club and welcome you on board for the 2004 season. Any new or interested sponsors will also be welcomed and looked after at the club for the coming season.

Please contact Kym on 8264 1374.

Good luck to all clubs, well done Adelaide United, just what the State needed. Congratulations to Mr Gordon Pickard for all your support for the game.

The 2003 season was another outstanding success for MetroStars. For the third year in succession we played off in the final five. The senior team did us proud and we finished the season as Minor Premiers, and second place in the finals after a hard fought match. They also brought home the Bianco/Fairmont Summer Series Cup and broke the record of most number of undefeated games.

Congratulations to our U/23 and U/19 teams. MetroStars fielded a very young senior squad in 2003 with the deliberate intention of building these players as our future first team. Four players had opportunity over the season to taste competition at the senior level. Congratulations must go to the Women's team for taking out third place this year and the Reserve team for a successful year coming runner up. We would also like to acknowledge the U/16 girls team with their fine achievement of finishing the year in third place.

MetroStars is very committed to Junior Development and we will again be fielding teams in all age groups. The Junior program has gone from strength to strength and with the dedication of coaches and parents we are seeing some exciting young talent emerging. Congratulations to the U/14 boys for winning the league.

This season Mike Barnett and his team will field some exciting new players along with last year's players. The talent and depth that is coming through this recruitment will provide us with a strong and successful team for years to come. Having tasted the finals fever for the third year, we will be striving for that ultimate Grand Final win in 2004. With the dedication and commitment of players, coaches and staff we have no doubt we will be there again in September. Assisting Mike will be Brenton Hiern (Assistant Coach) who together with our U/23 Coach Matthew Icolaro and Carl Maynard (U/19 Coach) will ensure MetroStars is again a major force in the Premier League.

2004 will be a milestone for MetroStars, we are looking at many new developments including, the ground resurfaced, a new main playing pitch. Stage one of a three stage club rooms upgrade and other new and exciting ventures. We thank and recognise the City of Port Adelaide Enfield for their commitment to the club.

Special thanks must go to our sponsors for their never-ending support and commitment. Thanks also to our Major sponsors Bianco Building Supplies, Newton Sand Metal and Landscaping Supplies and Tripodi Group of Companies. We acknowledge and thank our Club Patron Joe Tripodi for his continued support and guidance throughout 2003, our Executive Committee and our support staff who worked tirelessly all year round.

Our motto - "MetroStars - Building Soccer for the future" continues to inspire the club into reaching greater heights for our men, women and junior teams. MetroStars wishes all clubs success in the 2004 season.

2003 proved to be another good season for Adelaide Croatia (Raiders) finishing second in the Minor Premiership and winning the Federation Cup for the first time since 1992. Unfortunately our final series was not as successful. Congratulations to the eventual winners Adelaide Blue Eagles.

Adelaide Croatia would like to thank all sponsors for the previous season with special thanks to our Major sponsor Bianco Building Supplies, Tudor Pavers, Ucan Sport and Basbuild. We look forward to continued association with all our sponsors

Thank you must go to all our players, coaches, volunteers and supporters for their loyalty and commitment during the season. The future for Adelaide Croatia is looking very promising with junior teams added to the club and also with some promising new signings at Premier League level.

The Development of the Club Complex at Gepps Cross is progressing slowly but shorely with a few changes to be noticed during the season.

Good luck to all teams competing this year and we wish everyone at Raiders from under 8's to Premier League all the success possible.

## THE WARRIORS

2003 was a year of consolidation for the Beograd Club and its senior White City team. It was also a year of sadness with the passing of three club greats in Frank Mitchell, Peter Nikolic and Milan Stepanovic.

Frank Mitchell was a hard working servant of the club and sport until his 90th year. In honour of his memory Beograd has requested the Charles

Sturt Council to rename Woodville West Reserve as Frank Mitchell Park. Peter Nikolic was a Beograd 1949 foundation member, official and player. Peter also helped found the SASF and the Australian Soccer Federation before a distinguished career as SASF General Secretary. Milan Stepanovic was Club President for 5 years including 1979 when Beograd first won the 1ST Division Championship. They will be missed.

After a mid season slump the Warriors recovered to make the Top 5 playoffs for the first time since 1998. Captain and dual SASF Player of the Year winner, Bradley Armour has ended his outstanding playing career with White City through retirement. Best wishes to Bradley for the future.

The U/23's achieved a cup final victory with goals to captain Petar Vukajlovic and Drago Petrov. The U/19's capped a glorious season as Minor Premiers with a Grand Final Championship with Andrej Djakovic as the league's top scorer.

Long serving club official, Steve Nikolic was honoured by the SASF for his contribution to State soccer with a Meritorious Service Award.

The club is proud of its on-going relationship with long-time soccer supporter, Gordon Pickard and **Fairmont Homes** as well as with long standing club sponsors, **Royal Park Salvage** and **Royal Park Salvage (Mini Bins)**, **Northside Trailers**, **Vienna Butchers** and **Black Forest Bakery**. Also a special thanks to all other club sponsors, all the tireless club workers and our loyal supporters.

Season 2003 was the most difficult and frustrating season the club has endured. With six senior players departing overseas coupled with long term injuries the pressure was on all teams to be competitive.

Regardless of the setbacks many positives surfaced with younger players accepting the challenge in senior ranks and making the most of the opportunities to play senior football. Securing the services, calibre and character of Jonathon Fontanarosa's experience gave great inspiration, not only to the young and experienced but to supporters as well.

We thank the players and coaching staff for their commitment over a most difficult season and we look forward to a bigger and more successful 2004 season

A very special mention to our volunteer core who commit their time and energy to keep the club functioning throughout the season.

In closing we thank our sponsors Theo Samaras Steel Fabrication, Global Food Distributors, Australian Wholefoods, Laiki Bank, Galipo Food Company, Barnacle Bills, Copyfax Stationers, Chicken Chef Woodville, Aradippou Association, Starlight Reception Centre, Cirrilo Family and Pizza Haven for their continued and valuable support.

### The Adelaide Hills Hawks 2004 - A New Era

After many years of sweat and toil, the Adelaide Hills Hawks Soccer Club moves to their new and permanent home at Woodside, deep in the heart of the Adelaide Hills region. The club's more central location, which will eventually incorporate junior playing and training facilities, will help to enhance the club's new junior development policy.

After acquiring the services of former Socceroo coach, Frank Arok who kindly donated his services and vast knowledge in the planning of the programme in 2003. The club has been fortunate to entice former Australian International Steve Maxwell to oversee the club's junior development as the club looks to nurturing local talent in the Hills.

Season 2003 was a frustrating one for the club as the senior team lacked the consistency necessary for a top five finish. On a more positive note though was the form of many of the Hawks younger brigade who forced their way into contention for a first team place. Special mention must go to the U/23 side who qualified for the finals for the first time in a number of years. Congratulations must also go to the U/15 side for winning their respective championship in fine style.

History was made when club captain, Fraser Keegan was awarded the Bob Telfer Medal for State League Player of the Year. Keegan shared the prestigious award with Campbelltown's Tony Scalzi. Congratulations must also go to Darryl Harvey, Daniel Butler and Keegan who were selected in the State League representative squad to play against the State Amateur side.

Senior Coach, Craig Leith ably supported by a talented coaching staff in Mike Genikas, Juan Rodriguez and Maxwell will be looking to the club's youth to develop a side, in the not too distant future, capable of competing at the highest level. For all those involved at the club the hard work has just begun in what will be an exciting time in the club's history.

Noarlunga's attitude and enthusiasm surfaced once again for season 2003. However, after winning 12 games, drawing 4 and finishing 4th at the end of the season, Noarlunga was once again unable to progress past the Elimination Final.

While we have every confidence in our coaching staff and players we do however need to address this issue. Noarlunga will continue to strive for excellence so our goals and dreams can become a reality.

Our thanks to all our coaching staff, support staff and players for a productive season. We sincerely thank Graham Smallman for his dedication and commitment to Noarlunga for the past three years as our U/19's coach and wish him well as he takes a break from coaching. Graham's efforts and determination were rewarded when our U/19's finished in 3rd position.

Season 2003 was also fruitful for our juniors, with our U/15's winning their league and our U/12's runners up. Our sincere thanks, to all our coaches, team managers, players and parents, for their efforts throughout the year.

Thank you to all our players, sponsors, members and supporters who contributed in any way to the club's operations throughout the season as we look forward to yet another successful year.

As usual, the Management Committee has worked tirelessly throughout the year and will continue to do so in 2004.

On behalf of the "Bulldogs" Management Committee, I would like to wish all the clubs participating in the State and Premier League competitions, the best of luck for season 2004.

Season 2003 proved to be slow starting for the Northern Demons as we struggled to find our feet early in the season. With many mixed results we continued to fight to the end of the season narrowly missing the finals. With such a strong finish to season 2003 in all grades especially

U/19's, who played in the final series, we plan to be a stronger force in season 2004.

As seen last season our U/19's squad is proving itself as a real contender and with new coach Sam Germinario it's looking to be a good season in 2004.

Now the re-development has been finished all members, players and visitors are enjoying the great facilities the club has to offer. This is all thanks to the efforts of some extraordinary members who have contributed their time voluntarily.

With the continued support of our major sponsors in Fairmont Homes, Hunter Pisani Public Accountants, Hunter Financial Services, Gadaleta Steel Fabrications, Excite Internet Services, Sportsman Tavern, Alex's Meat Services and Sportscene the club is well placed to have a great year.

The Panthers have now spent five years in the competition, building the base for a concerted push towards the Premier League. We are now very close to closing the chapter on the first part of this strategic plan.

Our teams in the past have always shown a degree of youthful talent without managing to bring home the bacon so to speak. That certainly changed in season 2003.

All three made the Finals with our U/19's taking both the Minor Premiership and the Championship. The First Team lost very late in the finals to a well structured free kick from Richie Alagich of the Pirates and the U/23's lost after Extra Time in their finals campaign also to the Pirates.

We brought three players from England, Adam Mayo, Toby Clark and John Cant all of whom brought a change to our playing capability, complemented by the likes of Chris McNicol and Joey Calvanese and there is no doubt our opponents saw us having a formidable midfield.

We raised the financial stakes considerably and we have done so again for season 2004. Our already strong juniors will become closer to the seniors in operation terms during 2004, which will only add considerably to our resources.

On the playing side we have already seen strength added to last year's squad and negotiations are well under way with more players from overseas to supplement our local talent. We will see boys come through from the U/17's of last year, plus the lads that won the U/19's will get stronger. The young First team will be one year older too, so we have ambitions of the highest level in 2004.

We have also been blessed with the selection of two boys into SASI, David Thornton and Sam Gounder. Both players have been with us for some years now and it is extremely rewarding to see our players begin to reach these heights.

2003 saw us move forwards, we trust 2004 will see us climb upwards.

Season 2003 was a real baptism for our new coach Michael Brooks, coming from a very successful time as a player, he soon found that it was no bed of roses coaching. He had some good young talent but with an average age of only 20, (this included

himself), it was no real surprise that we find ourselves back in the State League. However, if we examine the results we find that we managed to hold our own with most teams and with a little luck we could have remained in the Premier League.

2004 offers a strong challenge to coaches and players, but we are confident with the appointment of Gerry McEvoy as U/23's coach, and the retention of J. Stockdale as U/19's coach and Michael with his first year under his belt and his own professionalism we will have a good year.

Once again we saw all our junior teams doing exceptionally well, especially the U/15's. However there is always a drawback with our success in the junior ranks, because they are spotted by SASI and the other clubs. It is great to see so many of our youngsters being in such demand, however it does decrease our chances for senior success when \$\$\$\$ come into it. We again hosted another successful State Junior Championship at the Paddocks and were blessed with the weather.

We would like to extend a big thank you to all our willing volunteers who keep the club going, our loyal supporters, Salisbury Council Staff and of course our sponsors.

State League watch out, this year we have a very determined coaching staff. Good luck to all for the coming season.

The best intentions and good will were not enough to keep Playford City in the Premier League for season 2004. The Club thanks coach Hugo Gimenez for his brave efforts to keep the Club afloat during the second half of the season, despite a dearth of financial and player resources.

The Club is determined to return to the top flight as soon as possible, but needs to mobilise its large supporter base and to improve its long-term financial viability. To this end it has expanded its committee structure to ease the pressure on key individuals, and to make the most of expertise within the ranks of its existing supporters. The need for sponsors remains a key concern.

Playford will maintain its emphasis on the development of local talent, which brought the Club an U/19 Championship and three Junior Cups in 2002, and two further Cups and the U/19's runner up position in 2003.

For 2004, Dave Joy returns from Salisbury to take the U/23 team, Tony Franklin steps up from the junior coaching ranks to take the U/19's while Ivan Zafran has accepted the senior coaching position, a sure indication that the Club means business in 2004. With a playing and coaching background in both Europe and Australia, Ivan has already begun setting up the senior side of the club for a major effort in the new year.

Sometime prodigal son Neil Childs has returned to Ramsay Park, having accepted the position of club captain. A player of his ability is always welcome.

The Club would like to thank all the volunteers, sponsors and supporters, who provided their and other resources to the cause in 2003, and would urge them to keep the faith in 2004.

Finally, we would like to make a special mention of Archie Gordon whose service to the club has continued despite the ill-health of himself and his wife Margaret. The documentary evidence for this sees his name appearing as a "white coat" in the earliest sheets (1988), still being there in season 2003.

## THE PIRATES

Last season, 2003, the Club celebrated its Centenary, beginning in April with a re-enactment of the first meeting in the Railway Hotel at Port Adelaide, this Hotel is the very place that the inaugural meeting was held exactly 100 years ago.

During the season we invited past players and officials to attend our home games where they were presented to the present day players, members and officials. On November 23 we held a very successful Club reunion / Family day, also each Match Program throughout the season contained some club history. On Saturday April 17, 2004 our Centenary celebrations will conclude with a Gala Ball, (anyone interested in attending should contact the Club for further information) which will be held in the European Convention Centre at Findon.

We would very much like to thank all persons who had any involvement with our Centenary year as a tremendous amount of extra work, research etc, was required to bring the events that had taken place to fruition and be the success that they were.

The Club now looks forward to season 2004 and beyond as we will be working on making our future secure for the persons that will follow the present members, players and officials

Season 2003 was difficult for the Port Pirie City Soccer Club. The lack of committed players affected the team's performance and granted the Port Pirie City Soccer Club its first "Wooden Spoon" in the South Australian Soccer Federation, State League.

A "huge" improvement is envisaged for 2004. Season 2004 has commenced with new enthusiasm after the appointment of Joseph Amato as senior coach. Joseph will continue playing and bring with him the experience of eight seasons as a player in the South Australian Soccer Federation.

Assisting Joseph will be past Players now based in Adelaide, Norm Corrieri and Tony Caputo, together with former local player Sandro Mezzino. The squad has commenced a vigorous pre-season regime under the guidance of Fitness Coach and former player, Michael Corrieri.

The Port Pirie City Soccer Club would like to take this opportunity to thank their major sponsors, The Risdon Hotel, Porta Building, Crystal Brook Charter, Distinctive Homes and McDonalds Family Restaurant for their contributions and ongoing support.

We would also like to thank our club members and supporters for the support and patronage throughout 2003 and anticipate this to continue for season 2004 and beyond.

With Salisbury United entering their 50th year as a club there has been a lot of renewed interest and a very positive feeling around the club.

There are many events planned for the coming year including a re-enactment of the first game with one of our club founders, Bob Bush, leading the team.

With the clubs successful history of providing so many talented players, I'm sure it will be an exciting and interesting season. Dave Johnstone has been appointed senior coach for 2004 and with Dave's wealth of knowledge and experience coupled with a stronger squad we will finish higher in the ladder. The clubs good mix of experience and a strong youth contingent will be put to the test, especially in the local derbies with Playford and Para Hills.

The club is still heading in the right direction and in maintaining our major sponsor "Alaska Foods" is proof of this. Thanks to Dave and Janet Garreffa for your continued support and to all the other sponsors who have got behind us this season.

With the support of the Office for Recreation and Sport and Salisbury Council, the completion of works around the pitch will soon be in place.

With the formation of the "Supporters Choir" I'm sure Salisbury United will be heard all over South Australia this season and lift the tempo of the team.

Thanks to all the coaches, committee volunteers and supporters for getting behind the club and making sure that Salisbury United survives for another 50 years.

Season 2003 has been a successful one compared with previous years, with 3 wins and 6 draws.

The club has started to maintain some stability and is endeavouring to go forward this season with Dave Dickinson (Dicko) being elected Coach for season 2004. Dave has played for Seaford over

quite a number of years and took over as coach half way through last season, 2003. Dave also won the prestigious Bob Telfer Medal in 1990 and is currently playing for Seaford Amateurs.

We also have a new U/19's Coach in John Courtney who is also an ex Seaford player. John is new to the coaching game, but has many years of playing experience to pass on to the team.

In season 2003 the club fielded a U/16 girls team, which was coached by Mick Treen. For season 2004 the club is hoping to field U/14, U/16 and open age girls teams. During 2003 the girls did extremely well for their first season in the competition.

The club is continuing to encourage and promote Junior Development and is aiming for success in 2004.

On behalf of the Committee, the club would like to thank all our sponsors for their continued support. Also thanks to all our members and supporters for supporting the club over the past season and we hope to see you all again in season 2004.

Western Strikers started season 2003 with great enthusiasm and a positive attitude. Unfortunately, the season didn't turn out exactly as we had hoped. The one positive to come out of the year, was the opportunity given to the youth of our club. Many players were given the chance to play senior games, with the hope of rebuilding a strong and competitive team for season 2004. Our U/23's made the top five in season 2003 only to be knocked out in a penalty shoot out. We hope this experience will hold the seniors in good stead for the coming season.

We look forward to season 2004 with the appointment of our new Head Coach Carlo Talladira. Carlo brings with him not only a great source of soccer knowledge and experience, but also a young and enthusiastic attitude, which is already filtering through the entire club.

The Committee and Coaching panel has once again dedicated so much time and effort to ensure the continuation of our club. Special thanks, to all our sponsors for their continued support to the club.

The 2003 Riverland soccer season started with big wins to Berri River Rangers over Renmark Olympic in the A and B grade final of the pre-season President's Cup competition. Barmera United defeated Rangers 2-1 in the under 16 final.

Olympic clinched the A grade premiership with one round still to play after having secured the B grade premiership on the previous weekend. Rangers added the under 16 and under 14 premierships to their A and B grade President's Cups but Olympic matched Rangers title for title, with Renmark Olympic I victorious in the under 12 competition.

Olympic achieved a hat-trick of premiership/cup doubles by winning the A, B and under 12 grade finals at Loxton Oval in the last competition of the season, the Top Four Cup.

In the A grade final, Olympic won 4-1 over Rangers, while the scoreline was 2-0 in Olympics favour when they met Rangers in the B grade final. Barmera stole victory in extra time to send Rangers home from the final match day of the season without a win in the senior grades.

Rangers took out the under 14 Cup while Renmark Olympic I were the under 12 Champions.

While they could not secure the premiership or the cup, Rangers did provide the joint A grade Best and Fairest winners. Captain Nick Spinks, 33, and fellow mid-fielder Steve Atkinson, 20, polled 15 votes each to tie for the award in what was only the second season of Riverland soccer for both players.

Both players directed play and set up a huge proportion of Rangers' scoring opportunities throughout the season. Olympic young gun Chris Albanos was the top A grade goal scorer with 12 goals.

Berri hosted the biggest event of the year, the International Soccer Challenge match between the Australian Institute of Sport squad and an under 20 side from legendary Greek club Panathinaikos, in August.

From early in the year, Soccer fans and the general public, enthusiastically anticipated Berri's International Soccer Challenge match on Sunday, August 10.

The event was every bit as exciting as expected for about 2000 spectators, who braved the weather to be there. The AIS side beat Panathinaikos 2-1 in a thrilling game that showcased youthful speed and silky skills. In the curtain raisers, the Riverland senior team went down 3-1 to Sunraysia, despite dominating the first half of the match, while the under 14's were unlucky to go down 2-0 to their Sunraysia opponents.

International Soccer Challenge organisers said the organization and presentation of the event were above their expectations. The Riverland is likely to host an International Soccer Challenge match again in 2004.

Riverland won the under 14 title and were runners-up by a single goal in the under 16 division at the State Junior Soccer Championships held at Mount Gambier in June.

The under 14 and under 16 sides were depleted by injury at the State Country Junior Soccer Championships held at Strathalbyn in September but both sides still managed to finish runners-up. The under 12 and under 13 sides both finished third.

Olympic's James John and Ranger's Rohan Vardaro made the South Australian SAPSASA side, which was coached by Renmark Olympic coach and Riverland Junior Development Director Steve Poutakidis. Poutakidis was named Coach of the Year at the 2003 Riverland Sportsman of the Year Awards and has been asked to coach the State SAPSASA side again in 2004.

Eleven Riverland juniors played in country zone teams at the State Junior Zone Soccer Championships held during October in Adelaide. The Riverland boys contributed to what was the best ever overall result by the country zone teams.

One of the highlights of the year in junior ranks was the selection of Olympic juniors, Todd Blacksell and Jackson Davis in the State under 14 soccer squad. Mid-way through the year, Blacksell was awarded a 12-month scholarship to train full-time with the South Australian Sport Institute. He has the opportunity to travel to Europe for coaching and games with the SASI squad in July 2004.

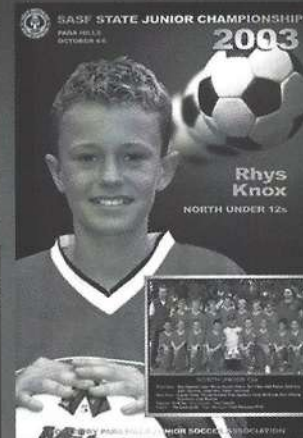

Waikerie will join the Riverland soccer competition in 2004 and their inclusion is sure to spur on Rangers, Olympic, Barmera and Loxton United.

As an Association 2003 was a very successful year, the Premierships were shared around the Clubs making it a strong good competition in each Grade. Gambier Centrals won the A Grade with International as runner up. The B Grade was again won by Apollo with International as runner up. The U17's was won by International, runner up Gambier Centrals and the U/14's was won by International with Apollo runner up. The U/11's and Roo Ball also had very successful seasons.

Year 2003 marked the first year for new club Hamilton Rovers who entered the Association with only one Senior Team but the drive and potential for Two Junior Teams in 2004. We welcome them.

Western Border hosted the Bank SA 2003 State Junior Championships, which was extremely successful for our Association with our Under 16's winning their section, Under 15's finishing runner up and the Girls Under 13's winning their section in their very first competition. The weekend was also very successful financially and socially - promoting the game of soccer. Again thank you to the Coaches and Managers of our Teams.

2003 marked the inaugural year for the Girls Competitions and under the direction and coaching of Nigel Inglis and Stewie Birch the Girls squad has grown and developed. Nigel and Stewart took on the girls when it was agreed by the Board and Junior Development Area Coach Scott Dickson that there was a need for the girls to have their own trainings, development and competition. With the assistance of the South Australian Women's Soccer Association the girls are now having their own separate trainings with their own equipment and their own competition.

Unfortunately our Senior Select Squad this year took a back seat to the Juniors as many of our Senior players are either coaching, managing or assisting with our Juniors and were committed to them for their Championships, hopefully next year we will again travel with our Senior Select.

Our Junior Development Program under Area Coach Scott Dickson has taken another step forward this year and the dedication of the players has been a credit to them and the program. This season Scott has managed to get full sponsorship for the squad to have their own new strips and tracksuits.

All in all this year has been a wonderful year for this Association in so many ways and we hope to continue in year 2004.

## WHYALLA SOCCER ASSOC.

### Postal Address

Whyalla Soccer Association  
PO Box 2013, Whyalla Norrie SA 5608  
Telephone: (08) 8649 1604 Facsimile: (08) 8649 2248

The Whyalla Soccer Association season started on March 9 2003, with a round robin League Cup series with all six teams playing five games each and the Top Two teams contesting the Finals. Croatia hosted the Final against Steel Utd with the home hosts winning in style by four goals to nil. In the Reserve Final Croatia hosted Lions and as with the seniors they won with ease by four goals to nil.

The Westland Jewellers twenty game League season started on the weekend of April 27 and as expected Croatia and Steel Utd dominated the two top spots on the league ladder for the first eight rounds. Following a good win over Lions in round nine Wanderers went into second spot, but the following week it was back to square one with Croatia and Steel Utd one and two respectively. After round sixteen with four games left, Croatia had a four point lead but then fell apart. They lost the last four games against Port Lincoln, Lions, Steel Utd and Westlands Utd, leaving Steel Utd with their third Championship in four seasons.

In the Reserves Croatia won seventeen games straight, and then lost two and drew one of their last three games, not quite as bad as the seniors, because they won the Championship by seven points.

In the final competition of the season the Association Cup was played in a similar fashion as the League Cup. In this competition Croatia forfeited a game and this cost them dearly. In the seniors they finished third on the ladder and missed a finals berth, leaving Steel Utd and Lions to contest the Final which Steel Utd won 3goals to one. In the Reserves Port Lincoln turned out to be the surprise packet. They finished on top of the round robin league ladder and took on Steel Utd in the Final.

In a game judged to be one of the best reserve games for sometime, they took the game up to Steel Utd to win by two goals to one, but Steel Utd should be commended for their part in the game. The win was Port Lincoln's first trophy since they joined the competition six seasons ago.

# COLLEGIATE SOCCER LEAGUE REPORT

MICHAEL HIHIMANIS – CHAIRMAN

The Collegiate Soccer league (CSL) is an associate member of the South Australian Soccer Federation, and it comprises of teams nominated by Universities, Colleges and High Schools, which have been accepted by the CSL Council.

The objectives of the CSL are to promote, organise, control, and encourage good sportsmanship in Soccer matches and Competitions for Students and Graduates of Universities, Colleges and High Schools.

Founded in 1981, the CSL began with five (5) clubs fielding eleven (11) teams in one (1) division – of which seven (7) teams were previously in the SASF Metropolitan 2nd and 3rd divisions.

Although wealth in enthusiasm and popular amongst its peers across Australia's soccer fraternity, the Collegiate Soccer League has continued to operate on a "shoe string" budget with an Executive Committee comprising of a Chairman, an Assistant Chairman, a Treasurer and a Secretary, who all volunteer their time and effort for the success of this league.

The CSL has always enjoyed the support of all its members, who are instrumental in providing a soccer league that prides itself in its principles of conduct, namely : promotion of sportsmanship in a competitive environment; democratic fairness in all its activities; good and effective management of the league; and accountability to all its constituents.

The Collegiate Soccer League is enthusiastically committed to develop positive relationships with the bodies and individuals that further enhance soccer at all levels, not only within South Australia but also throughout Australia – my attitude is that **we should all be part of the same team : fighting for the same cause!**

Since its inaugural year, the CSL has expanded, welcoming new clubs and their respective teams.

Last year saw a "home and away" **League Championships** competition comprising **thirty-four (34) teams**, which was split into **three (3) divisions** from the start of the season. There were **twelve (12) teams** in each of **Division A1** and **Division B1** and **ten (10) teams** in **Division A2**.

Each year traditionally begins with a pre-season **Carnival**, with all clubs invited to participate in a one (1) day tournament. As well as the League Championships, the **Collegiate Cup** is contested with teams playing each other in a knock-out competition – each season culminating

with the Cup Final.

I would like to congratulate all of the 2003 season's trophy winners. They are as follows:-

- The CSL pre-season **Carnival**, played at the University of Adelaide Playing fields (Zoo Grounds) on Saturday, 5 April 2003, was won by **Mercedes Old Collegians**, who defeated **University Black** 1-0.
- The **CSL Division B1 League Championship** was won by **Rostrevor Old Collegians**, who won nineteen (19) matches and scored one hundred and two (102) goals (conceding only thirteen (13) goals) during a twenty-one (21) match home and away season.
- The **CSL Division A2 League Championship** was won by **Christian Brothers Old Collegians**, who won fourteen (14) matches and scored fifty-nine (59) goals (conceding only thirteen (13) goals) during a seventeen (17) match home and away season. The runner up was **Unley Old Scholars**.
- The **CSL Division A1 League Championship** was won by **Mercedes Old Collegians**, who won seventeen (17) matches and scored sixty-nine (69) goals (conceding only thirteen (13) goals) – and was undefeated – during a twenty-one (21) match home and away season. The runner up was **University White**.
- The **Collegiate Cup**, played at University of South Australia (Magill Campus) on 18 October 2003, was won by **Rostrevor Old Collegians B**, who defeated **University White A** 2-1 (Golden Goal in extra time) in the Cup Final.

Finally, I would like to congratulate the Collegiate Soccer League on its fair play, independence, success and enjoyment shared by all its members throughout last season, and sincerely hope that the 2004 CSL season will be one of good sportsmanship and outstanding soccer for all of the players and their respective clubs.

I am confident that they will all be part of an even more dynamic, successful and enjoyable season this year.

## COACHING AND DEVELOPMENT REPORT 2003

**TECHNICAL DIRECTOR/SASI NTC COACH – MARTYN CROOK**  
**ADMINISTRATION MANAGER – CHRIS TERPCOU**

### GOALKICK

This year was our second season of Goalkick with five centres continuing from the 2002 season - Cumberland, Enfield, Modbury, South Adelaide and Western Strikers again hosted the program.

Goalkick is a Soccer Australia skills program designed to target young boys and girls aged 5-8 years old, with the aim of getting children to understand the skills and rules involved in team sport of soccer. This program is in line with the National Junior Sport Policy.

All clubs reported that the participants enjoyed their first structured programme, with the clubs delighted with the influx of young junior players being introduced to the pathways of soccer. It is now expected that the second year players will now progress into under age teams.

Full credit must go to all the club Goalkick coordinators, Ray Dixon, Alan Morris, Craig Lees, Steve Cox, Gerry Bosco and Tino Russo for the excellent work in making this program a fun and learning experience for all concerned.

### SCHOOL CLINICS

The demand for school soccer clinics increase each year with regular visits to numerous schools by our SASF Development Officers. In June, we welcomed back Richie Alagich to the SASF after 4 years away with interstate club commitments in assisting Lia Augimeri from the South Australian Women's Association.

The popularity of soccer within the schools is a proven fact. The increase of staff this year has led to more contact with schools, which has resulted once again in huge player participation, similarly to 2002. This year we structured the clinics so that both a male and female coach attended sessions at the same time to increase the awareness that soccer is for both Boys and Girls.

These school clinics allow primary school students to be introduced to the basics of soccer and from all reports from our schools, they have been very impressed with the standard of the sessions and coaches. Also a special thanks goes to Rebecca (Bec) Morrison, Lynn White, Max Primaro from SAWSA and Geoff Hargreaves, Bruce Farquar, Daniel Patterson and John Christopoulos for support during the year.

### GOALKEEPING CLINICS

Once again during the school holidays we ran Goalkeeping Clinics at The Parks Community Centre. Goalkeepers aged between 8-14 were coached under the guidance of SASF instructor Chris Terpcou. It allowed a wide range of young and promising goalkeepers to show their talents. It also proved that even at grassroots level our goalkeepers are seeking to improve at all times. It's very encouraging that the demand for clinics has increased in each of our holiday breaks, with many returning for further coaching and other goalkeepers looking to get involved.

### COERVER COACHING REPORT 2003

2002 was the inaugural year of Coerver Coaching in South Australia. The inaugural year was a huge success for the players involved and the program in general. This season has seen that continue with an increase of awareness and participation throughout the state.

The demand for Coerver Coaching was proven by fourteen clinics being conducted during the January/April/July/September 2003 School Holidays compared to nine for season 2002. Predominately, these clinics were held at The Parks Community Centre, however we also used club venues such as Cumberland Soccer Club and the Panthers Soccer Club. In July, we also extended our Coerver program to the regional areas, conducting a hugely successful clinic at Berri in the Riverland. These clinics were also used to give out information regarding the forthcoming Coerver Soccer Academy Programs.

From all the feedback we have received from players and parents, these clinics were a tremendous success.

In March 2003 Trials were held for the Coerver Soccer Academy, the target age groups were U9's, 10's, 11's & 12's. The trials were held over a 2-week period, and were attended by many trialists. A selection panel of Coerver/ State / Regional and Development Coaches finally selected 3 squads consisting of 52 players.

The Coerver Academy which commenced in May is a 90 hour intensive program that is still running and is due to finish in December this year. It covers ALL aspects of game play including tactical and technical awareness. We must also thank Modbury Soccer Club and Adelaide Olympic for their support

and commitment in housing our Academy Programs.

The success of these Academy programs which started in 2002 was clearly illustrated by South Australia having five players being selected for the Coerver Oceania squad that toured Europe in September/October. The players, who toured Germany, Belgium and Holland were Angus Ducker, Brad Inman, Kosta Mantis, all 12 years old, and Nathan Andijanto, who is 11 years old. Unfortunately, Evan Kostopoulos who was selected missed the tour due to an injury.

The following coaches should be congratulated for their hard work and commitment in establishing and maintaining a high quality product:

Domenic Quagliarella	Under 9/10 Apprentice Academy Squad
Branko Milosevic	Under 11 Professional Academy Squad
Geoff Hargreaves	Under 12 Professional Academy Squad
Aurelio Vidmar	Coerver School Holiday Clinics
Carl Veart	Coerver School Holiday Clinics
Bruce Farquar	Coerver School Holiday Clinics

### COACHING COURSES

During the 2003 year the Coaching and Development department have run a number of courses - Introduction to Coaching - Junior Licence - Youth Licence - Senior Licence.

Three Junior Licence courses were run in country areas and some country coaches attended higher-level courses held in Adelaide.

Country Area coaches from Port Pirie, Whyalla and the Riverland were in attendance.

In February, we conducted the State Licence, which is the highest accredited coaching licence the SASF run. This licence is held for coaches wanting to coach in senior positions whether it be Premier League or State League level. Jim Selby our National Technical Director once again conducted this course with all our local coaches benefiting from Jim's experiences through his times at overseas professional clubs and of course FIFA.

We have been extremely fortunate this year to have Zoran Maricic, a much respected and experienced Instructor, head our coaching courses, from the Junior Licence, Youth Licence and most recently the Senior Licence.

We have also used Jeff Napier, Mick Doyle as well as Wendy Carter for our Junior Licence courses and Chris Terpcou, Elvis Markov, Noel Clarke and Brenton Hiern assisting on our Youth, Senior and State Licence courses.

We are very proud of the quality of Instructors we have now acquired, in particular their open minded approach towards modern trends and their overall knowledge of the game, which hopefully will benefit all those who attend these courses.

### Accreditation and Licences

Our main aim this year was to have everyone at the Senior Level suitably accredited, this we achieved. Our focus next year will be to work harder on policing the junior coaches and work with them and the clubs to provide more easily accessible courses, with more flexible time slots and geographically more convenient.

### Development Squads

#### Under 13 Squad.

This squad has been under the guidance of Branko Milosevic. He has had a number of coaches assisting him. Branko took a team to Tasmania during the July school holidays and they played a series of games against an under 14 development squad from Tasmania. It was not the best squad available as a number of players were involved in the Kanga Cup.

#### Under 14 Squad.

Mick Doyle has worked well with the under 14 group and they are a promising group. They performed very well at the friendship games remaining undefeated until the final game against Queensland.

### Review

This year has been very successful for the department. The growth of the school clinics and the continued expansion of the Coerver programs have been outstanding.

Unfortunately the Goalkick program is not as effective as expected, but the program is in line with the Governments Junior Sports Policy and will eventually be accepted.

Coaching Course numbers continue to be above average, as we strive to supply high quality courses and instructors.

The staff of the department has worked tirelessly to ensure a successful year. Administration Manager Chris Terpcou has a real passion for the game and is well respected by the soccer community and government departments.

Thanks also to Richie Alagich and Lia Augimeri for their work in the schools, along with all other contributors to this vital service.

To all the coaches and staff of the development squads who contributed to the SASF programs and to the instructors of our courses.

Special mention to Sam Miskelly who was appointed Regional coach and has worked with coaches to improve the information link between the SASF and the clubs.

Thanks also to the staff and Management of the SASF for their support during the year and finally a special mention to Jim and Connie Selby from the Australian Soccer Association for their vital assistance with our programs.

### Review

Overall this was a very disappointing result. The team started in excellent fashion winning 5-0 against Northern Territory, who proved during the week to be a tough nut to crack. However on day two the team started poorly and went 2-0 down in the first half to CNSW, despite a sensational second half goal from Scott Hughes, the team could not recover. The next game against Tasmania proved to be the crucial result. We controlled the game from start to finish but we failed to score the goals required to clinch the vital points. Our performance against the tough Western Australia group was adequate but again we failed to score and lost any chance of making the semi finals.

There was no doubt that the loss of crucial players in the last few weeks before we travelled, had a big effect on the performance. Pat Barbaro did not return as expected from a trial at AC Milan, Michael Margaritis broke his leg in the week before the tournament, while Theo Sasopolous pulled out of the squad at the last minute. Thanks to Brenton and his staff for their work in preparing the squad for the championships. Brenton will leave the Federation for the 2004 season and we thank him for his years of services to the SASF.

### Review

The under 16 group travelled to Sydney with high hopes after reaching the final in 2003.

During the group stages they played with style and control and were rarely tested, they did what they had to do to win the group and Elvis handled the rotation of players with great skill.

Unfortunately they were beaten in the semi final against the eventual winners Queensland. The winning goal coming in the last minute of extra time.

We should be extremely proud of the performances of this team and Elvis and manager Tony Scanlon are to be congratulated on the overall preparation.

Following the Championships five players from this group were selected for the 2004 AIS intake. Nick Crossley, Michael Marrone, Sam Gounder, Peter Eleftherakis and David Thornton were the players selected.

# SASI REPORT 2003

## SASI/NTC HEAD COACH - MARTYN CROOK

SASI 2003 began with a major turnover of players from the previous year. The squad was predominately made up of players from the successful under 15 state team of 2002, along with several promising players from the under 14 state squad.

On the national front SASI was well represented at the Oceania qualifiers, which were held on the Sunshine Coast. Oliver Totani, Yianni Sarris and Matthew Deegan played for the Joey's during the tournament.

In July Ange Postecoglou took the Joey's on a two-match tour of Finland and SASI was represented by Keegan Nash and young Goalkeeper Nick Crossley. Crossley and Mathew Deegan were ultimately selected in the World Cup squad. Unfortunately the team performance at the World Cup was disappointing although Nick Crossley performed extremely well under difficult circumstances.

SASI was well represented at the National championships in Sydney with the under 16's in particular, performing very well. At the end of the Championships five players from this squad were selected in the 2004 AIS squad. Sam Gounder, Michael Marrone, Nick Crossley, Peter Eleftherakis and David Thornton will join Matthew Deegan, who will complete his second year in Canberra. Six players in the AIS squad is a record for the state and a triumph for our development program.

On the domestic front the team performed very well in the under 23 league, despite a poor start to the season. The young players responded well as the year progressed and finished in forth position in the league. SASI eliminated Galaxy in the first semi final before losing in sudden death to Enfield.

The Player of the Year was Sam Gounder who also collected the Players Player of the Year. The Most Improved went to James Jackson with David Thornton winning the top Goalscorer award.

This years coaching staff consisted of Under 16 state coach Elvis Markov and Noel Clarke as the assistant coaches, with Chris Simpson as the goalkeepers coach. Bill Mitropoulos and Peter Cristarella worked with the squad as the scholarship coaches

while Joe Foley (trainer) and John Brannigan (Manager) also worked on the staff.

They all contributed to the success of the year with their professional approach and dedication.

During the year the squad worked with many high quality coaches including National Youth coach Ange Postecoglou, AIS coach Steve O'Connor and National Coaching director Jim Selby. National team player John Aloisi also worked with the strikers in the squad and his advise saw immediate effect.

Once again we thank the SASF for their support of the program. Chairman Tony Henshaw and his board of commissioners. To the General Manager of the soccer Federation Tony Farrugia and his staff for their day to day support. Special mention goes to coaching and development administration manager Chris Terpcou.

The close link between the SASF regional and state development coaches are a pivotal part of the on going success of the program. Thanks goes to all the development squad coaches for this year, in particular Brenton Hiern and Elvis Markov.

Thanks also to the SASI Organisation for their support of the program. In particular CEO Wes Battams, program manager Gary Carlson, sports science coordinator Craig Colduck and sports code operator Tim Rawlings and Mary Heslop.

In closing, special mention goes to John Brannigan who after many years has left the program. John has taken up a position with Adelaide United and we wish him the best of luck. John has been with the program since it's inception ten years ago and his work has been invaluable.

**Back Row (L-R):** David Paladino, Ryan Marveggio, Tom Niage, Scott Weidenbach, Nigel Young, Craig Andrews, Scott Hughes, Jay Crescenzi. **Middle Row (L-R):** John Brannigan (Manager), David Thornton, Michael Marrone, Paul Vanis, Matthew Gregor, Julian Torresan, Nick Crossley, Bradley Girdler, Giuseppe Cantanzariti, James Jackson, Noel Clarke (Asst. Coach). **Front Row (L-R):** Elvis Markov (Asst. Coach), Joe Foley (Trainer), Keegan Armstrong, Sam Gounder (Captain), Martyn Crook (Head Coach), Shane Tobias (Vice Capt.), Peter Eleftherakis, Chris Simpson (GK Coach). **Absent:** Tash Yabio, Michael Ball

## JUNIOR COMPETITIONS

**PAT BOSCO - COMMISSIONER**

The 2003 season proved to be challenging from the outset with nineteen extra teams in the SASF competitions. The total participation in the Junior Premier League competition is now 224 teams. We also welcomed Gawler Soccer Club with two teams in our competition. There was also growth in the Junior League Management Committee, which now consists of Nine members.

The Home and Away Program and the Junior Federation Cup games ran smoothly throughout the year. A Junior Delegates Workshop which was held in November 2002, proved very successful, with most clubs participating. The Delegates were given every opportunity to air their concerns, with some of the outcomes being implemented during the season, the foremost being the U/11 competition now being non-competitive.

During the early part of the season, a joint sub-committee with the SA Junior Soccer Association stakeholders was formed under the guidance of Bryan Hearn. The sub-committee produced a set of playing rules for Goal Kick and Roo Ball Programs. As a consequence these junior players in the State will now be playing under one set of rules and regulations. In addition, it is envisaged that the formation of a single soccer administration body will

see all juniors in South Australia managed by this governing body, thus providing flexibility of delivery and a more structured pathway for all players in the State regardless of their potential.

The SASF U/11 - 17 Junior Cup Finals were held at the home of soccer, Hindmarsh

Stadium, and congratulations to all cup winners. The players provided an excellent display of skills and conduct. The SASF State Junior Championships were held at Para Hills Soccer Club during October long weekend. This competition once again proved very successful, with a number of players being identified by the Regional Coaches for the State Development Squads. During the Championships, it was obvious that the Country Zone age group players have made outstanding progress in their skill development and were runners up in some age groups.

The Junior Premier League Referee Division has continued to grow, now numbering 19, and their excellent work must be acknowledged.

The 2003 season proved statistically harmonious with regard to disciplinary matters, with initiatives that were implemented in 2003 proving to be beneficial.

*Action from the Junior State Championships*

I take this opportunity to congratulate the Cup winners, Premier League winners and the State Zone Championship winners. Particular thanks must go to the Junior Premier League Management Committee, Referees and Delegates for their effort and hard work.

The State Development Squads under the leadership of Martyn Crook, have again proven themselves competitive with similar programs throughout Australia. However, it must be acknowledged that there has been a diminished financial commitment and we are now currently working with Martyn and his Coaches to provide a more structured and defined program. The composition of each State Development Team will be redefined and in particular, the ratio of coaches to players will be closely looked at. Furthermore, clubs and their respective coaches will be more involved with the requirements of State Development Players, thus meeting the State Development performance indicators. I congratulate Martyn and his team for all their effort and hard work.

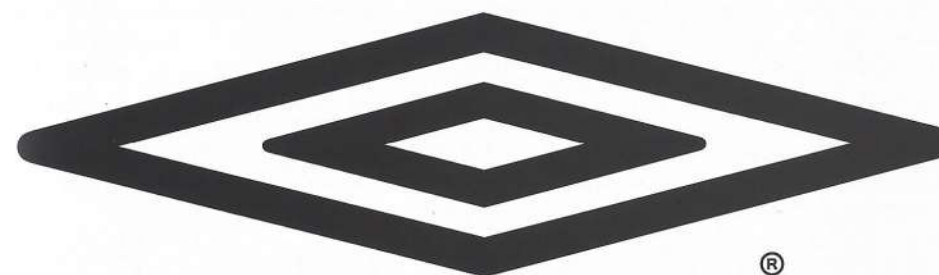

The South Australian Soccer Institute Program has been successful in having six of its players selected for further training in 2004 and a further five selected for the Australian Institute of Sport. A further six players are under review for selection.

In 2003 the SASI squad participated in the U/23 Premier League competition displaying competitive and spirited outcomes. I wish to thank all Premier League participating clubs for their cooperation in the SASI Program.

The Coever Program, which was due to end in late December 2003, covered all aspects of the game with total participation of 52 players, including a number from the country areas. The Coever Programs were held at a number of venues throughout Adelaide and Country Regions, thus being accessible to all participants. The target groups for this Program are from U/9 - U/12.

The Goalkick and Roo Ball Programs were Club based under the successful leadership of Chris Terpcou using Club Coaches. This Program caters for boys and girls between the ages of 5 to 8 years and it is defined under the National Junior Sports Policy. It is anticipated this Program will increase in participation rates for 2004.

I wish to acknowledge the tireless efforts of all SASF Staff but in particular Ryan Peremiczko for his commitment and endeavours towards the SASF junior Programs.

# SA SCHOOLBOYS SOCCER

2003

JOE LARECKI - TEAM MANAGER / ASST COACH

Heatherton (Victoria) was the venue for the National Championships, held in early August at Bentleigh Greens Soccer Club, where the facilities were good. South Australia fielded a very competent team in all games and produced some outstanding results whilst, displaying character, commitment, fair play and obvious talent. SA finished second in the Championships.

Both individually, and as a group, our lads were excellent ambassadors for their state, schools, clubs and families. Our on-field results were very pleasing throughout the week. When the lads got it together they played some accomplished soccer, though this was not always reflected on the score sheet and was not always sustained to the end of games. A lack of experience with some players and a subsequent drop in concentration at crucial times had a telling effect. However, each game was a challenge and the commitment was always evident as was purpose and responsibility. SA lost just one game and drew another. We also won the Fair Play Award. All the lads learned from the experience and returned home better and more accomplished players.

Players were rotated during games to give most almost equal playing time, thereby sharing the workload, maintaining injuries at a manageable level and giving everyone equal opportunities to express themselves and impress the National selectors. The SA team was competently led by Robert Cornthwaite, always an inspiration and support, on and off the field. His maturity, work ethic and obvious skill won him a place in the Australian squad. He was a popular leader. The two vice-captains, George Agalidis and Jonathan Negus, did a fantastic job in showing true leadership qualities whilst supporting their team. Jonathan Negus and Michael Matricciani were also selected in the Australian Schoolboys team. George Agalidis, Jace Cummins, Steven Ward and Alex Durovic made the "Shadow" squad. We had a good number of players who showed they have talent and are very capable. I hope in the not too distant future, some of these lads will emulate past SA Schoolboys who represented Australia at Schoolboys level and went on to play in the National League and are currently

playing for Adelaide United. Names such as Carl Veart, Ritchie Alagich, Nick Budin and David Scarsella come readily to mind.

## SA STATE TEAM

### MORE RECORDS TUMBLE

The SA State team played three games in 2003, one against the Japanese J-League team Verdy Tokyo 1969, one against the Malaysian Olympic team and one against the Queensland State team in Rockhampton, Queensland.

The South Australian officials for those games were:

**Coach:** Buggy Nyskohus

**Team Manager:** Alan Horsfall

**Trainer:** Peter Duke – Verdy Tokyo 1969 – Malaysian Olympic team

Michael Brooks being chaired off the field by his team mates after scoring both goals for South Australia in Queensland

**Trainer:** Peter Thompson – State League Select – Queensland

**Gear Manager:** Joe Janko

**Doctor:** Tom Mittiga

**Tour Manager:** Rodger King – Queensland

The Commissioner for State teams was the Vice-Chairman of the SASF Arthur Difede.

It was another memorable year for the SA State team when they beat a visiting J-League team for the first time since J-League teams started visiting Adelaide in 1996.

The win was an historical occasion for the State team as they were on the attack for long periods with Justin Bralic and Aaron Westervelt worrying the Verdy defence constantly, with the memorable winning goal being eventually scored by Sam Monterosso. When Verdy did attack, Michael Cartwright and Mark Yates, in defence for South Australia, positioned themselves well and proved to strong for the Verdy forwards.

The game against the Malaysian Olympic team was an excellent run for the South Australian players but also a bit unfortunate in timing. The day before the State game, Raiders played Metrostars in a Premier league game and these two teams were providing the bulk of the State players for the game, consequently, although giving everything they had, those players tired and ran out of legs.

In another historical game, the South Australian State team beat Queensland in Queensland, which was the first time South Australia had won in that state since games between the two states began in 1932. The first away game for South Australia against Queensland was in Brisbane in 1962 when South Australia got beat 5-1.

This time in Rockhampton Queensland the SA State team ran out winners 2-1 although in the first 20 minutes South Australia was under constant pressure with Queensland eventually taking the lead in the

37 minute. Two minutes later the scores were level when Michael Brooks received the ball turned 180 degrees and slammed a left foot shot into the bottom corner of the net.

In the 67th minute it was Michael Brooks again scoring the winning goal after a brilliant move involving Artone-Brooks-Artone-Brooks-Sergi-Brooks. The match was a tough strong encounter with pressure being applied by both sides right until the final whistle.

### State League Select

A team from the SA State League was also selected in 2003 for a game against the South Australian Amateur Soccer League. The game took place at Hindmarsh Stadium and was a curtain raiser to games in the International Soccer Challenge. The SA officials for this game were the same as for the State games or as otherwise indicated.

The SA State League Select team played exceptionally well winning the game 3-0 and proved to fit and skilful for the SAASL team.

The Select team played the ball around waiting for openings with Richard Low holding the ball up front before laying off to his overlapping team mates. Low, at one stage, turned with the ball brilliantly and his shot for goal hit the post.

Scott Wilson and Tony Reeves were two players of note for the SAASL team but they seemed to have a problem with fitness.

Richie Alagich completely controlled the midfield along with Tony Scalzi and Jun Udagawa while Mick Harkness and Nick Mitchell were very rarely troubled in defence. Damian Gagliardi opened the scoring for the Select team with Jun Udagawa following up with a second goal before half time. In the second half Richie Alagich scored an absolute cracker of a goal to comfortably seal the game for the Select side.

#### The Year in Review - BILL TATTERSALL STATE REFEREES COACH

This has been a year of significant change at local and national level. Following a lengthy period of campaigning by various interests across Australia the National Referees Commission (NRC) called its first AGM for a considerable time. At this meeting new Commissioners were elected, and a new acting National Director of Referees was subsequently appointed. A series of meetings has been held since this March AGM and the NRC has re-established the National Coaching Panel. Three NCP meetings have been held since May. This has enabled extensive development and restructuring of guidelines, coaching documents, policies and structures for refereeing in Australia.

With the creation of the Australian Soccer Association budgets and policies are being developed and positive relationships and understandings have been forged. It is anticipated that the ASA proposed structures will assist with referee development and support at national and local levels.

The ASRF (SA Division) changed its name to the Soccer SA Referees Federation Branch Incorporated at the end of July and has been registered by Corporate Affairs. The old ASRF served referees well for many years, but recently - particularly in the era of Soccer Australia which took over the great majority of the ASRF roles - it became a somewhat divisive influence.

Federation branch members have continued to support the work of the State Referee Coach. The decreased membership has put an increased financial strain on the branch which continues to meet the full honorarium and all expenses (except travel and some printing) for the position. Although this support is welcomed by colleagues in other branches this arrangement is unsustainable and should be renegotiated. This should occur once the proposed State Referee Standing Committee (or alternative structure) becomes a reality in 2004.

I am sad to note the resignation of Chris King from the position of Referee Recruitment and Development Officer. He has been vital to the work of the State Coach, supporting many of the tasks undertaken since 2000. He has been an important driving force in the reform of refereeing programs and approaches, the development and presentation of TIP and TAP, the move towards a Soccer Academy, and ultimately officiating itself. Many of the achievements of the last four years would not have been gained without his work and support: thank you, Chris.

## NATIONAL and INTERNATIONAL SUCCESSES

We are proud that local members have once again excelled on both the national and international stages. Airlie Keen and Matthew Cream maintained their membership of the respective FIFA Assistant Referee panels and both have been active internationally.

In September 2003, Airlie and two Australian colleagues officiated at the FIFA Women's World Cup held in the USA. We were thrilled with the appointment of this Australian team of officials to pool games, and then to officiate the play-off for 3rd place. Matthew was selected, also with two Australian colleagues, to officiate at the FIFA Under 20 World Cup. This tournament was originally scheduled for early 2003, but instability in the Middle East resulted in the rescheduling of the tournament in the United Arab Emirates to November-December.

Craig Zetter, Matthew Cream, Sam Hasic, Paul Cetrangolo and Craig Dunkin completed another strong season in the National Soccer League, as did Jim Rossis and John Marciniak as referee inspectors. Congratulations to Lee Corey, Marco Fischetto, Airlie Keen, Dashiell Lawrence, Brett Pulford, Lauren Travan and Nicole Wagner, who officiated at the five Women's National Soccer League games played in Adelaide at the end of 2002. Sadly only three of this strong group (and two of the federation branch's seven women members) renewed their memberships in 2003. We really need to know why this was so.

Lee Corey travelled to Sydney in July for the Under 16 Women's National Talent Identification Championships. She was followed in late September by Mark Michael and Peter Chapman who officiated at the Under 16 and Under 15 Boy's NTIC respectively. Reports from those tournaments were extremely positive.

The second International Soccer Challenge - The Festival Cup was held during August. Some referees were understandably disappointed that the NSL approved the tournament as a preseason intensive NSL referee coaching event, thereby denying many of them of an opportunity to referee these international under 20 club teams. However, Federation branch members did have very significant roles: as referees (Craig Zetter and Sam Hasic); as assistant referees (David Alberton, Wayne Dade, Paul Cetrangolo, Matthew Cream, Craig Dunkin, Marco Fischetto, Nelson Galdamez, Keith Bruce Gordon, Sam Hasic, Airlie Keen, Michael Parry and Matt Wenham); and as referee inspectors-coaches (Herb Clark, Ken Cooksley, Jim Johnston, Jim Rossis, John Marciniak, John Tarling, John Veasey and Robert Wray). Barry Panella excelled as the referee liaison officer, as did Craig Zetter (with help from Matthew Cream) as 'social director' for the six visiting interstate referees.

The tournament organisers were pleased with the standard of officiating and have already invited the acting national Director of Referees to repeat the exercise in 2004.

## SOUTH AUSTRALIAN ISSUES

It has been my pleasure to spend time with members at Adelaide Hills, Elizabeth & District and SRA Noarlunga. All three branches are strong, active, growing and forward looking. Reports suggest that the Amateur Branch has experienced some difficulties, in particular in its relationships with the Amateur Soccer League. The League advertised during the season for referees to officiate a particular club's matches after the withdrawal of services from that club by the referee branch. Metropolitan and country Branches received all coaching materials and newsletters (Corner Post) produced during the year.

With the establishment of the Australian Soccer Association, it seems likely a State Referee Standing Committee, or similar, will be formed to replace the State Referees Commission.

The rapid development of the JPL referees group under the leadership of the JPL Management Committee and its coach Petros Katsiokalis has been a highlight. It has also reduced the pressure on the Federation branch members. More clubs are taking advantage of the improved refereeing by encouraging parents and others within their ranks to get involved.

A major paper dealing with combating abuse of match officials was launched at the annual state referee seminar. The interest shown by Soccer SA is welcomed. However, little real or measurable progress has been made. The issue seems to remain below the radar of most groups, despite the growing abuse of our colleagues during the year. Hopefully the above initiative will be seen as the first step in a long program to improve attitudes towards match officials.

## FEDERATION BRANCH

Once again it is worth emphasising that members' funds maintain the position of the State Coach. It is hoped that this financial commitment will diminish when the new state and national structures are operative. The work of the state referee coach is also supported by the SASF which provides access to photocopying facilities and their web site for our publications - sincere thanks.

This has not been the best year for this branch. It has experienced a substantial loss of membership, particularly in the late teens - early 20s age group - our future. Sadly, recruitment has not covered the gap created by over a dozen resignations, and the pressure on members to accept multiple appointments has grown. This has probably contributed to the increase in injuries experienced by members and is an unsustainable development.

The branch has been unable to provide a full roster of officials for the SASF State and Premier League, and even with the valuable support of other branches, particularly SRA Noarlunga, matches in these competitions have had to use club officials. It is clear that both the branch and the SASF need to address this crisis. New officials have until recently had the opportunity to develop their skills by operating as assistants on SASF games for at least a season. This year they have been appointed as referees, denied this crucial development time, and placed under unacceptable pressure. It is reasonable to expect that this will impact on the morale, confidence and retention of match officials.

The excitement at welcoming six women referees to this branch evaporated over the year with only one of the six renewing her membership. What prompted their withdrawal from officiating is not known and should be researched in association with the SAWSA. Clearly this is an area of real concern. Other States, particularly Queensland and NSW, are targeting women as new members with considerable success. This is something we should do urgently, particularly given the signals from the ASA that it supports funding for the appointment of women referees to all WNSL games. We are in danger of being left behind.

## Changes to the Laws of the Game

Each year the International Football Association Board issues amendments to the Official Laws of the Game, and reviews its decisions. Generally these are effective from 1st July in that year, or the start of the next domestic season, whichever occurs last. The following changes came into effect in Australia with the start of the 2003-4 NSL season.

## Law 4 - The Players' Equipment

The sentence limiting advertising to the players' shirts has been deleted.

The following guidelines have been published to clarify the issue of players wearing non-compulsory equipment, including modern sports spectacles:

Modern protective equipment such as headgear, facemasks, knee and arm protectors made of soft, lightweight, padded material are not considered dangerous and are therefore permitted.

FIFA also wishes to strongly endorse the statements issued by the IFAB on 10 March 2001 "New technology has made sports spectacles much safer, both for the player and other players". This applies particularly to younger players. We expect referees to take full account of this fact and it would be considered extremely unusual for a referee to prevent a player taking part in a match because he or she was wearing modern sports spectacles.

#### Law 11 – Offside

There has been no change to the wording of the Law. On October 22 2003 the IFAB issued interpretations for sections of the law which are designed:

...to protect attacking play intending to result in a goal, which is the ultimate objective in football.

Law 11 reads: "A player in an offside position is only penalised if, at the moment the ball is touched or played by one of his team, he is, in the opinion of the referee, involved in active play by interfering with play, or, interfering with an opponent, or, gaining an advantage by being in that position."

The IFAB has provided the following interpretations of key phrases.

Interfering with play is to be interpreted as: Playing or touching a ball passed or touched by a team-mate.

Interfering with an opponent is to be interpreted as: (1) preventing an opponent from playing or being able to play the ball. For example, by clearly obstructing the goalkeeper's line of vision or movements. (2) Making a gesture or movement while standing in the path of the ball to deceive or distract an opponent.

Gaining an advantage by being in that position is to be interpreted as: (1) playing a ball that rebounds off a post or the crossbar having been in an offside position. (2) Playing a ball that rebounds off an opponent having been in an offside position.

Procedures to Determine the Winner of a Match – Kicks from the Penalty Mark.

The 2nd bullet point has been amended to read:

The referee tosses a coin and the team whose captain wins the toss decides whether to take the first or the second kick.

The IFAB believes this gives the team which wins the toss a fair choice and not to insist that they take the first kick, which can be perceived as an advantage to the team which loses the toss.

FIFA also issues Additional Instructions for Referees, Assistant Referees and Fourth Officials. The following section has been added:

#### The Penalty Kick

It is an infringement to enter the penalty area before the kick has been taken. The goalkeeper also infringes the Laws if he moves from his goal line before the ball has been kicked. Referees must ensure that when players infringe this Law appropriate action is taken.

The IFAB notes that the Law was amended in 1997 to remove the directive that players who entered the Penalty Area before the penalty kick had been taken should be cautioned. Goalkeepers were (and still are) permitted to move along their goal line before the kick was taken. However, goal keepers are infringing the Law by moving into the penalty area before the kick has been taken.

#### IFAB Additional Information

The temporary expulsion of a player is not permitted at any level of football.

The IFAB has asked FIFA to draw up clear standards and procedures for the development and use of artificial surfaces, incorporating the best resources and knowledge available.

## ADELAIDE'S JAPANESE CONNECTION

Over the past nine years the South Australian Soccer Federation has successfully hosted several high profile Japanese J-League Clubs to Adelaide for their pre-season Training camps.

During this time we have developed a very strong relationship with Japanese Football, its National Teams and its professional soccer clubs.

Each year, Federation representatives visit the J-League and it's clubs to discuss, on a one to one basis, the requirements of the team and highlight the services which we offer.

We have valued the confidence of the teams in allowing us to provide a worry free camp – extending our services beyond that offered in the packages. Our members (clubs) have been supportive by providing their facilities – ensuring that they are of a high standard – realizing full well the expectations of professional J-League teams.

Those clubs who have undertaken a Training camp in Adelaide in the past have all returned for at least a second camp – testimony of the service and standards which we are pleased to offer.

As well as presenting South Australian soccer with an international flavour, the camps themselves offer a great benefit to our State business. In the time that we have been managing these camps they have added over \$7m in Economic Benefit to the State Economy!

In 2004 we welcomed the Japanese Football Association Olympic Team to Adelaide for their preparation for Athens 2004.

They held their camp from January 26th – January 31st.

During their camp, they played a South Australian Under 18 Youth Team – giving our young players the experience of playing against full time international players!

In February we welcomed back to Adelaide the Urawa Mitsubishi Red Diamonds – the most popular and successful club of the Japanese J-League competition. The Reds held their camp from 12th – 26th February.

## INTERNATIONAL SOCCER CHALLENGE 2003

The International Soccer Challenge is a new and exciting sporting event that is dedicated to reshaping the sport of soccer in Australia and Asian regions. The annual international youth tournament was developed to expose local and national youth players to world-class competition played on our own "home turf" and encourage soccer's vast grass roots membership to aspire to elite national and international competition.

The 2003 International Soccer Challenge tournament was staged by International Soccer Enterprises (ISE) in Adelaide last August at Hindmarsh Stadium and several major regional centres. The tournament showcased the next generation of world's soccer superstars from high profile European clubs from England (Liverpool), Germany (Bayer Leverkusen), Italy (Chievo Verona), Greece (Panathinaikos) and Croatia (Hajduk Split) as well as emerging soccer nations of China and Malaysia.

In its second year, the International Soccer Challenge achieved a significant turnaround from the inaugural tournament in terms of increased revenue, corporate sponsorship, media exposure and numbers of patrons through the turnstiles. The turnaround from last year's tournament was achieved by direct marketing to the grass roots soccer community, substantially growing corporate support and lowering ticket prices.

First time corporate support from non-traditional soccer businesses and corporations such as Club Financial Services, Vodafone and Bayer Crop Science was very pleasing. The support of these companies proved to the soccer community, government and corporate sector that the tournament is viable, vibrant and important to SA's sporting calendar, not to mention providing economic and social benefits to South Australia as a whole. Aside from the fact that second year events increase their audience, the increase in numbers last year was mainly due to the attraction of Liverpool FC and the community support of the Greek and Croatian teams, a better ticket pricing program and a more pervasive electronic advertising campaign.

### Highlights of the 2003 International Soccer Challenge tournament were:

- English Premier League giant Liverpool plus European champion Bayer 04 Leverkusen, Croatia's Hajduk Split and Greece's Panathinaikos participated in the tournament.
- Broader media coverage gained in local and national media than for the initial tournament.
- Greater involvement of state based registered soccer organisations.
- Substantial increase on crowd numbers.

- Strong community support for European teams.
- Injection of "new money" into the economy and incremental hotel bed nights.
- Significant increase in corporate revenues from initial tournament.
- Establishment of the Masters Tournament.
- Establishment of an annual national referees coaching conference.
- Creation of a new tournament organisation.
- Scheduling of matches in major State regional centres.
- Establishment of an active volunteer base.

In a letter sent to South Australian Premier Mike Rann after the tournament, Liverpool team manager and former English International Steve Heighway said about the 2003 International Soccer Challenge "the facilities at the Hindmarsh Stadium were excellent. Many of our professional clubs in England would love to play each home game at such a stadium. It was highly appropriate that such a high-level tournament was played at such an impressive venue".

Further in the letter Steve went on to say "every element of our tour ran perfectly. For that, we must thank the organisers, Glenn Dods and Mike Kennedy, and Brenton, our team liaison, who was always on hand to deal with our needs. The staff at the Hotel Radisson could not have been more welcoming and hospitable. Our experiences with the public at the games and at the coaching clinics has influenced our young players greatly. They were treated like 1<sup>st</sup> team players and responded by showing a mature level of commitment at the coaching clinics. This has helped us enormously in our task of educating these young adults through their involvement in sport."

For the 2004 tournament, ISE aims to establish and deliver on expectations. The 2004 Tournament will further consolidate the event's prominence and develop relationships with the South Australian soccer and non soccer public, state corporate sector, South Australian Government, local soccer federations and associations and, importantly, the new Australian soccer body.

ISE's mission statement is to establish and run the most prestigious youth club soccer tournament in the world and it intends this to be the view of not only the clubs which participate but also of the ticket-holders, sponsors, media, officials and all persons and organisations associated with the tournament. In ensuing years ISE will further develop the theme of an international tournament by involving teams from around the world, including from countries where soccer is a developing, rather than an established, sport.

## FUTSAL SA

### FUTSAL – The FIFA 5-A-SIDE Indoor Soccer Game ARTHUR DIFEDE (SASF VICE-CHAIRMAN) – COMMISSIONER FOR FUTSAL

The Under 14 Futsal State team makes it three in a row at the 25th National Futsal Championships in Canberra

As the game of Futsal continues to go forward in it's development, 2003 was another fruitful and successful year, where the Campbelltown Leisure Centre Junior Competition continued where it left off in the previous year attracting almost 700 players to play Futsal in the off- season bringing the Centre to life from September to late December and ending with 17 exciting and competitive Grand Final matches.

Players from the ages of 9 to 17, boys and girls, filled the Centre on Saturdays and Sundays playing on three courts. These enthusiastic and excited young players who looked forward to their Futsal games each week have shown a keen interest to play the game all year round if such a competition is organised in the future.

#### A STEP IN THE RIGHT DIRECTION

There was a good mixture of Junior and Senior Futsal Referees officiating at all the games throughout the year at Campbelltown. In addition it was encouraging for the Futsal Referees Coach

Ray Grima to see a great attendance at a **Futsal Referees Coaching Course**, held by **Futsal SA**, for all the new and experienced referees prior to the new competition.

Futsal SA through head coach Tony LaScala also held an Introductory to Futsal Coaching Session for all coaches wanting to get involved with a Futsal Team in the future.

#### FUTSAL CLINICS

Development Officers **Tony LaScala**, **Rob Pepicelli**, **Ray Grima** and **Giancarlo Zumbo** continue to introduce Futsal to students by conducting Futsal Clinics at schools in the North and North Eastern suburbs and will be looking forward to cover all areas of the Metropolitan area in the not too distant future.

#### UNDER 14 NATIONAL FUTSAL CHAMPIONS

**Back Row (L-R):** Phil Powell (Team Manager), Paul Marino (Capt.), Arthur Difele (Commissioner), Michael Carpinelli, Tom Powell, Aaron Fischetti (Vice-Capt.), Tony LaScala (Coach).  
**Front Row (L-R):** Frank Violi, Jake LaScala (Vice-Capt.), Anthony Dubbioso (GK), David Savino, Jonathan Corbo.

This will see Futsal Competitions being played in all area of the State with the aim of one day, holding a State Futsal Competition, giving all players from all schools and local clubs the opportunity to get selected and represent South Australia at National Futsal Championships interstate.

#### SUCCESS AT THE NATIONAL FUTSAL CHAMPIONSHIPS

The SASF and the Futsal SA Committee gave the go ahead to increase the number of Futsal Representative teams from two to four to participate at the 25th National Futsal Championships in Canberra from the 13th to 16th of January 2004. The four teams of Under 12, Under 13, Under 14 and Under 16 Boys teams were all selected from the Campbelltown Competition.

With each team came a State team Coach. The **Under 16 Boys team** was coached by none other than ex-Socceroo and Adelaide City favourite Milan Ivanovic who was experiencing Futsal and the Championships for the first time. Milan's team, assisted by **Rob Pepicelli** performed quite well against the superior Futsal States, losing some of the games by only the odd goal or two, which was a good effort by the new boys. Milan enjoyed the Futsal experience in Canberra and hopes to continue with the development of Futsal in SA.

**Romano Rossi**, also experiencing his first Nationals Championships, coached the **Under 13 Boys team**. This team had a tough opponent in their first game playing against last year's Under 12 Club Champions, the team from Solomon Islands. This team from the islands was in a class of their own and outclassed most State teams with their Brazilian style game. The SA boys to their credit performed well in all their games reaching the quarter-finals only to be knocked out by none other than the Solomon Islands team, who incidentally won the Under 13 title for the second year in a row. Overall it was a good performance by all the boys in the team.

It was also an experience for the **Under 12 Boys team** attending their first National Championships and coaches **Ray Grima** and **Giancarlo Zumbo** had the hard task of keeping these lads focused in most of their games against more organised and aggressive opponents. At times they showed that they could mix it with the best, but needed a lot more preparation. Still it was a good experience for the young lads and if selected again will know what to expect the next time around.

**CHAMPIONS!** **Tony LaScala's** back to back champions assisted by **Phil Powell** had a shaky start in their **Under 14 State Competition** losing their

The FUTSAL SA Touring Party at Parliament House in Canberra

first two matches, but came back strongly making it all the way to the Grand Final and returning home with another National Title making it three in a row for Futsal SA and South Australia.

It was a hard fought final against New South Wales with two main players out through injury, but the players showed great character coming from behind and winning 4-3 on Golden Goal scored by Captain **Paul Marino**, who was also picked in the Super 5's team of the tournament. A Great Team effort!

Well done to all the teams and officials on another successful National Futsal Championship keeping SA Futsal on the map on the National Futsal stage.

#### Futsal Referees at the National Championships

Congratulations to John Greco who was the only SA referee to make the trip to Canberra and has continued to uphold the success of the SA Officials at these championships by being appointed to the Under 13 Final between the Solomon Islands and

ACT and the Under 16 Boys Grand Final between ACT and NSW with fellow referee Anthony Grima (now Vic Futsal).

#### MENS SENIOR COMPETITIONS

2003 saw two very competitive and exciting Open Men's Futsal competitions at the Magill University Campus. New team **Balkan Express** dominated the Summer competition going through to the Grand Final undefeated only to lose in the final to the **Sharks** who left their best for last.

Another competition is on the way at Magill with new teams joining the competition and some familiar faces returning to the game after a long absence. The Futsal SA management committee are always looking for new teams and to start competitions on different nights at Magill or any other Centre in all areas, so for those clubs or individuals that wish to join Futsal please contact the members below.

# SA WOMEN'S SOCCER ASSOC.

BEV O'BRIEN - PRESIDENT

It is with pleasure (and a tinge of sadness) that I present my final report as President of the South Australian Women's Soccer Association. There are a number of notable highlights, changes and challenges to report on.

offers some fantastic opportunities for women's soccer in this state. These include the opportunity to play at Hindmarsh before a crowd, the financial support and the expertise of the Club in sponsorship and marketing. We look forward to growing this partnership in 2004.

**Within our Association, the highlights have undoubtedly been:**

- the increasing level of professionalism and organisation amongst our clubs***

It is very pleasing to witness the quality of volunteers within our clubs, their level of commitment and the way in which they go about organising the affairs of the club. A number of our clubs now have stable committee structures, clear goals and strategic plans in place and are well into their planning for 2004. You are indeed all to be commended for your contributions to women's soccer.

- the growth in our juniors***

The more than doubling of our junior teams in 2003, as well as the growing numbers of girls playing in school, zone and junior competitions is testimony to the popularity and strength in women's soccer in our state.

- moving closer to the creation of an Association home ground***

Our receipt of a grant from the Department of Recreation and Sport will allow us (finally) to develop an Association home ground. While our facilities will initially be modest, this space will mean a permanent training venue for our state teams as well as offering enormous potential to expand the range of competitions offered.

- our national league team coming under the umbrella of Adelaide United.***

The birth of the Adelaide United FC has brought the South Australian soccer community together in a positive and energetic fashion. The agreement of the President, Mr Basil Scarsella and Management Committee to support the inclusion of Adelaide Sensation under the clubs umbrella

Looking outward, the present time is a crucial one for women's soccer. The newly formed Australian Soccer Association's charter is to bring all of soccer under one banner in each state. It is essential that the SAWSA Board work to ensure that the interests of women soccer stakeholders are strongly represented at national and state levels, so that women's soccer receives a fair say in the running of the game, and the allocation of its resources.

**On the local front, the challenges and changes for the Association include:**

- continuing to attract quality board members and volunteers in our Association and clubs***

While we have many good people within our Association and Clubs, the challenge is to ensure that we can maintain and expand their numbers—and in effect, share the load a little more evenly.

- in finding grounds and facilities to meet the increased demand***

Many clubs are struggling to find grounds and facilities to match their needs. The SAWSA Board will be working with the Amateur and Federation Clubs to ensure that women's soccer receives appropriate consideration with respect to grounds and facilities in 2004 and beyond.

- Implementing a league structure and strategic plan to carry women's soccer forward***

Following consultation with our clubs the Board has released a new league proposal for 2004. While any change brings some tensions and teething issues, we are confident that the structure can help women's soccer to grow in a sustainable manner in our state.

- The review of the Women's National League and changes to the National Training Centres (NTCs)***

The Women's National League is set to be reviewed in March 2004 and the Australian Soccer Association are foreshadowing changes to the National Training Centres in each state and the national program overall. At a local level, while taking account of these changes, we will continue to work with the South Australian Sports Institute to ensure that our resources for development at the grass roots and elite levels are used effectively and that our programs work seamlessly toward an agreed set of goals.

In 2003 Wendy Carter took extended leave from the Association. I am pleased to report that she has returned from the UK afresh with new ideas and enthusiasm for the ways in which we can grow and promote women's soccer. In her absence Lia Augimeri very capably assumed the role of Executive Officer. Lia is now working as our Recruitment and Development Officer and has quickly made significant inroads in new initiatives for 2004. SAWSA is indeed very fortunate to have two staff with such great

initiative, skill and commitment. My thanks to them both for their excellent work.

I would also like to take this opportunity to thank a number of organisations and individuals who have made contributions to SAWSA in varying ways over the course of 2003. On behalf of the Board, our thanks to: the South Australian Soccer Federation; the members of Soccer SA; the Adelaide United Football Club; the South Australian Sports Institute; The Office of Recreation and Sport; the Adelaide City Council; Annesley College; Bill Johnson; South Road Sports and Laura Perdue. Thanks also to the officials of the SAWSA state teams and development squads, members of the Technical Committee, our club delegates and others who have generously volunteered their time. We look forward to working with these organizations and individuals in 2004.

Finally, my thanks to the SAWSA Board members who contribute many hours as volunteers to provide vision and leadership for the Association and worked hard toward achieving our goals.

## SA WOMEN'S SOCCER REPORT

WENDY CARTER – EXECUTIVE OFFICER

It is with much enthusiasm that I look forward to 2004. The potential for our sport to become the biggest female participation sport is a realistic aim, this being further supported by the increase in numbers in 2003. However there are still challenges facing our sport and ones that will need to be addressed if we are to fulfil the full potential that this sport has to offer.

One of the highlights of 2003 was the increase in the number of junior teams that entered SAWSA. It would be remiss of me not to acknowledge the hard work that has been undertaken by many of clubs in attracting these players to our sport. We can only wait and see if these numbers increase again in 2004, but already we are being told that clubs that did not field juniors in 2003 are looking to field teams in 2004.

Season 2003 proved to be a very successful year for the Adelaide City Women's Soccer Club. This club competed in six league competitions and three cup competitions and were successful in winning five league titles and two cup competitions. Adelaide City has now set the benchmark for many clubs to follow and I have no doubt season 2004 will be an action-packed season to look forward to.

During 2003 SAWSA continued to make progress on the development of a home ground. The Office for Recreation and Sport supported this project by contributing a grant of \$45,000.00 to assist with the construction of floodlighting. It is anticipated that this ground will be up and running by the commencement of the 2004 season and will provide SAWSA with a much needed facility in which to conduct state teams, league and cup games and development programs.

Another highlight of 2003 was the coming together of Adelaide Sensation and Adelaide United. For many

years now SAWSA and the South Australian Sports Institute have financially supported the Adelaide Sensation team. On top of this all of the players who have participated in this team have been required to pay to represent their state at the highest level.

The inclusion of Adelaide Sensation under the Adelaide United umbrella has been a step towards truly uniting soccer in South Australia. The financial assistance provided by the Adelaide United Football Club, meant that the Adelaide Sensation players did not, for the first time in history, have to pay to play in the Women's National Soccer League.

In 2003 Adelaide Sensation finished 3rd in the Women's National Soccer League, their highest finishing position since 1999. Although there are still a number of issues to be worked through, it is envisaged that for the 2004 season, Adelaide Sensation will be renamed Adelaide United and the aim is for this team to go one step further than in 2003 and reach the grand-final of the Women's Soccer National League.

Soccer in Australia is currently experiencing major changes and how these changes impact on SAWSA and women's soccer is still unknown. Regardless of these changes, SAWSA is determined to safeguard and enhance the interests of women's soccer within South Australia and will be lobbying the Australian Soccer Association (ASA) and other stakeholders to ensure that women's soccer is developed to its full potential.

Although women's soccer has experienced a substantial increase in the number of players entering the sport over the last few years, there still remains a number of challenges facing the sport. Clubs have already indicated difficulties in obtaining facilities to accommodate the players wanting to play and in addition to this the lack of volunteers continues to be an ongoing concern.

The SAWSA home ground may assist to offset some of the concerns associated with the lack of facilities however it will not be the answer to all of the issues currently facing our clubs. Clubs will need to be more pro-active in approaching councils and/or schools to gain additional grounds. In addition clubs that are currently conducting both men's and women's teams will need to review their current structures to ensure that there is equity in the of number teams that are being conducted for both males and females.

A lack of volunteers is an issue that most volunteer based organizations are facing. Clubs that want to be sustainable and strong must develop a strong volunteer base, gone are the days where one or two people can run a club. Clubs that have developed junior teams have been able to gain more volunteers through their parent base and this is a resource that SAWSA would encourage all clubs to use and nurture. In 2004 SAWSA will also be aiming to conduct seminars that will further assist clubs to develop strategies for recruiting and retaining volunteers.

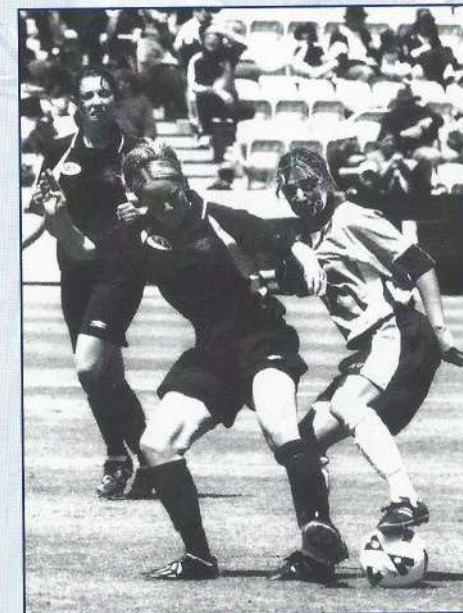

The difficulties facing our sport are not unique to South Australia. During my visit to the UK in 2003

many of the same challenges that we are facing are also confronting our English counterparts. A lack of facilities, volunteers and media coverage are the recurring themes being raised regarding women's soccer, if not women's sport in general.

Although these challenges are facing our sport, we cannot forget the work that has been achieved to date. All of the people involved at club level are volunteers who have contributed to the growth of women's soccer to date. To all of the coaches and club officials thank you for the contribution that you have made to the development of women's soccer.

I would also like to acknowledge the Office for Recreation and Sport, the South Australian Soccer Federation, Soccer SA, the South Australian Sports Institute and SAWSA's sponsors, Bill Johnson and South Road Sports for all their support and commitment to women's soccer.

Finally I would like to wish everyone the best of luck for the coming season and I hope that no matter what your involvement is with women's soccer, that it is fulfilling and rewarding.

## 2003 BIANCO SUMMER NIGHT SERIES

The success of the *Summer Night Series* in 2002 saw a sponsor emerge to add that something extra to the new tradition that the *Summer Night Series* has become. The 2003 *Summer Night Series* was proudly sponsored by Bianco Building Supplies. The SASF would like to thank the Adelaide Blue Eagles Chairman, Mr Rep Giordano for all the hard work that he put into securing the sponsorship.

With the new format widely accepted, this tournament had an, 'old time feel' about it as the 'Ampol Cup' format was re-introduced, albeit with out any NSL teams. That meant that the top 6 teams from the Premier League were represented along with the 2 promoted clubs from the 2002 State League. Two groups of 4 teams battled it out, with the top 2 placed teams in each group playing off in the Semi-Finals. The success of the tournament was reflected in the large crowds that came out to Marden to see the new squads in action for the first time in 2003.

The first round commenced on Wednesday the 22nd of January and concluded with the Final on Friday the 21st February

In the Preliminary round some tantalising fixtures were thrown up from the first week. A large crowd came out to see the two 'super' squads for 2003 battle it out when Raiders played the strong MetroStars outfit. The close score line reflected just how close these two teams were during 2003.

Other games went according to the early season form books with Blue Eagles once again providing some close results against their 3 rivals in group B, picking up 2 wins and a draw. While Olympic were the pace setters after an early win against newly promoted Enfield City.

Each of the 8 teams had picked up points in the first 2 weeks and everything came down to the last round of games.

The two finalists ended up being MetroStars and Adelaide Blue Eagles, with MetroStars taking out the Final 2-0 and acquiring their first Major Trophy.

# SMOKE FREE PREMIER LEAGUE 2003

## VAL MIGLIACCIO

ADELAIDE Blue Eagles' coach of the year Dragan Sipka proved to be the premier league's best investment after the master tactician engineered a surprise premiership victory in 2003.

Sipka masterminded a 2-1 win over minor premier MetroStars in an exciting Grand Final at Hindmarsh Stadium on September 13.

His former student and Blue Eagles predecessor Zoran Karadzic brought Sipka out to Australia in late 2002.

Karadzic kick started the successful 2003 Blue Eagles' development academy with Sipka in charge.

Sipka's professional experience as coach of the former Yugoslavia's Under 20 side, plus his vast experience in Serbia and Montenegro, made sure that South Australian soccer had gained an ace soccer graduate.

Sipka, however, had to rebuild a champion Blue Eagles' side that was decimated with big name player losses which had seen the club win five championships in the past eleven years.

Blue Eagles kicked off its season without Corey Artone, (MetroStars), Frank Sergi (MetroStars), Michael Brooks (Para Hills) plus Jamie Perin and Joe Cutillo who both retired.

In fact Sipka inherited a young side, which struggled to make a premier league impact until the arrival of former Adelaide City striker Nick Budin along with Argentine imports Pablo Duran and Hugo Rosales.

Duran, Budin and Rosales bolstered a depleted Blue Eagles' midfield and attack which started finding the back of the net after struggling earlier in the season.

But it was the top-5 series that ignited the late charge of the Blue Eagles.

After finishing a distant 3rd - 20-points away from second placed Raiders and 21-points adrift of minor premier MetroStars - Blue Eagles weren't given any

hope of change from the run away leaders.

How wrong the pundits were after Blue Eagles won its first qualifying final by ambushing Raiders 2-1 at a waterlogged Marden Complex.

Nick Budin secured Blue Eagles' showdown against MetroStars in the second semi-final after bagging the golden goal in the 105th minute.

The elimination final saw a desperate Galaxy overcome 10-man White City 1-0 after Stephen Stam was expelled in the 20th minute.

Steven Kidd volleyed the winner home in stoppage time before one of the all-time greats of the game Brad Armour announced his retirement.

Armour received a standing ovation for his contribution to the game in South Australia after he was chaired from the ground by his White City team-mates.

Galaxy's win saw the 2002 minor-premier take on Raiders in the first semi-final at Hindmarsh Stadium.

Galaxy produced another shock of the top-5 series with a 3-1 win over Raiders to set up a meeting with Blue Eagles.

MetroStars marched straight into the grand final after beating Blue Eagles 3-2, but not before the Blues punished the minor-premier 2-0 in the first half.

Rick Caperna's stunning goal of the season gave MetroStars its match-winning goal and the club's first grand final berth in its short history.

The preliminary final pitted Blue Eagles' Marcin Kierno against his father, Jan, coach of Galaxy.

It proved to be the best match of the knockout series.

Blue Eagles' jagged Galaxy 4-3 with Kierno junior scoring the winner in the 93rd minute from a header.

Grand Final day proved to be an exciting time for South Australian soccer.

Only days earlier, Adelaide United announced that it would lead South Australia into NSL history after the sad demise of local NSL icon Adelaide City.

An 8,000-plus crowd witnessed a superb battle with Blue Eagles doing the impossible.

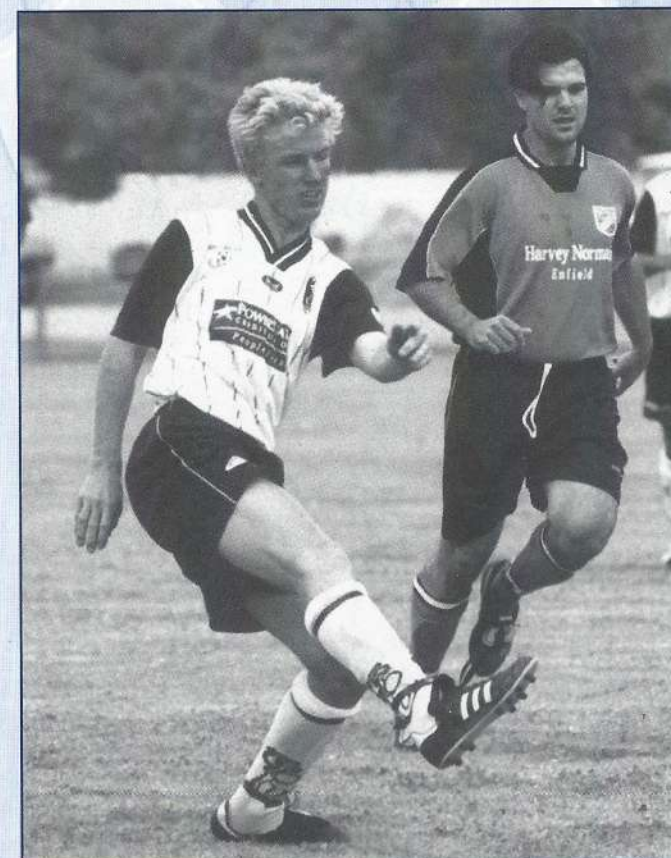

At the other end of the table, it was tears all round for the northern area clubs as Playford City and Para Hills were duly relegated.

### How they all went in 2003

**BLUE EAGLES (Champions)** - The underdog tag hardly suited the Blue Eagles in 2003 after winning its fair share of premierships in the past 20 years. Stung by a player exodus, the Blue Eagles relished

its newfound tag and won the coveted Championship. Dragan Sikpa proved that an excellent coach could make all the difference.

**METROSTARS (Minor-Premier)** - They were bagged and taunted for trying to convene a competitive unit in its early premier league years. MetroStars assembled a top squad under coach Mike Barnett and convincingly won the minor-premiership and summer night series. Despite being the most consistent club with more wins than any other club in the premier league for 2003, the Championship eluded the young club. President Sam Settecasi promised the club would reach its goals it set out to achieve in 1999 - its first year in the federation.

Craig Woods, front & Jimmy Tsekinis in a Premier League tussle 2003

**GALAXY (3RD)** – Galaxy failed to live up to last years minor-premiership form and coach Alby Kidd stood down from the post after an ordinary start to the season. Galaxy soon bolstered its squad with interstate recruits and new boss Jan Kierno jolted the Camden boys into action.

**RAIDERS (4TH)** – After stunning the premier league with an unexpected championship in 2002, Raiders immediately gained favouritism status for 2003. Nonetheless it wasn't to be Raiders' championship year. Raiders, however, won the Federation Cup by thrashing MetroStars 5-2 at Hindmarsh Stadium. Striker Jason Trimboli and Ric Cerracchio were stand out performers for Raiders in a year which produced plenty of entertainment for the club.

**WHITE CITY (5TH)** – Coach Rocky Aloisi did a fine job with White City after an indifferent start to the season. The Warriors hit their straps at the business end of the season and were unluckily bundled out of the top-5 series at a waterlogged Marden Complex. Aloisi has the knack for discovering new talent. Aloisi kept his faith in Brad Armour and the Stam brothers who had an outstanding year.

**ENFIELD CITY (6TH)** – Enfield coach Robbie Di Troia recruited heavily and pointed the club well and truly out of the relegation zone after coming out of the state league depths in 2002. Jim Tsekinis emerged as the Serge Melta medal's player of the year in a season of growth for the fledgling club. The legendary Milan Ivanovic takes the coaching reigns this season with the club promising to make the top-5 series for 2004.

**OLYMPIC (7TH)** – Olympic delighted the pundits with some awesome soccer at times but inconsistency cost the club a top-5 berth. Olympic was the third best offensive club with 43 goals but defensively the third worst club in the league. Elias Demourtzidis, Daniel Godley, Carl Robinson and John Spatharos demonstrated that the club should have been a major contender for the premiership running. Olympic has appointed former Enfield coach Robbie Di Troia to lead the club in 2004.

**ADELAIDE CITY (8TH)** – The young guns of City arguably played the most attractive soccer in the

league but inexperience cost them dearly. Former coach Cosi Salerno discovered an abundance of future stars with Adelaide United's Mimi Saric, Adriano Pellegrino, Kristian Rees and Aaron Goulding the obvious standouts. Defender Michael Cornthwaite is a player who has promised to go onto bigger things.

**CROYDON (9TH)** – Croydon Kings ground out a solid season after hovering around mid-table for most of the season. After being promoted from the state league in 2002 the Kings found the step up a tough one but did enough to secure a bright future for 2004. Hard men Marc and Craig Woods were an integral part of the Kings' survival push.

**MODBURY JETS (10TH)** – Duane Gray celebrated his seventh season in charge of the Jets and it turned out to be a nerve-racking one for the affable coach. With one premier league round to go Modbury looked a sure bet to join Playford in the state league. However a stoppage time equaliser from loan player Louis Brain saved Modbury's five-year stint in the premier league.

**PARA HILLS (11TH)** – Para Hills appointed Michael Brooks, one of the state's all time leading goal-scorers, to lead the club as player/coach in 2003. Brooks made the move from Blue Eagles. Brooks played part of the season in the sweeper position and when he made the switch to attack, the Knights appeared to be more convincing in front of goal. After a poor start to the season, Para Hills had to play catch up soccer – but time soon ran out for the northern club. On the last day of the minor-round, Brooks' club needed to beat Olympic to have any hope of survival but copped a 5-2 hiding instead.

**PLAYFORD CITY (12TH)** – Playford failed to find its premier league feet in a season which doomed the club to the state league after six-years in the premier league. Coach David Miller didn't see out the season and was replaced by Hugo Gimenez. Playford won its first match after round 9 by beating Modbury 2-1, but only gained another three victories for the rest of the season. The proud club needs to make a quick climb back into the premier league in order for the SASF to have a good northern suburbs representation.

## SMOKE FREE STATE LEAGUE 2003

VAL MIGLIACCIO

DESPITE being knocked out in the first semi-final, Panthers emerged as the biggest improvers of the 2004 season after Campbelltown City and Cumberland United respectively won promotion to the showcase premier league.

Panthers ended its minor-round season in fifth-place and surged forward with an admirable first up elimination final 1-0 win over Noarlunga. Panthers, however, came undone in the qualifying final with a 2-5 loss to Pirates. Panthers coach, Aldo Maricic, deservedly took out the coveted state league coach of the year, and, without a doubt Panthers will get closer to the elusive premier league bonus. Campbelltown City celebrated its 40th-year of existence with a gala ceremony at its Newton headquarters.

Red Devils' coach Maurice Natale, a favourite son of the club, returned to his roots after a premier league stint with Para Hills in 2002 and delivered a double celebration. Natale guided Campbelltown straight back into the 2004 premier league after winning the minor-premiership on goal difference in one of the tightest promotional battles in history.

Campbelltown won the automatic right to contest the 2004 premier league after having a 20-plus goal superiority over Cumberland with the Red Devils scoring a massive 74 goals and conceding just 16 in twenty-two minor-round matches. On the other hand, Cumberland bagged 53 goals and conceded a miserly 15 – not enough to overhaul Campbelltown in the race for automatic promotion. Nonetheless the Cumberland's agonising second-place gave Sergio Melta's men enough confidence going into the top-5 play off. Cumberland earned its just reward with a direct place in the grand final after bowling over the Red Devils in a thrilling second-semi final. The odds favoured Cumberland for automatic promotion if Campbelltown overcame Pirates in the preliminary final – making the grand final a 'dead rubber'.

Pirates had a determined crack at upsetting the Red Devils and in a dramatic end to its season, the seashiders failed with a heart breaking preliminary final (1-2) loss to Campbelltown. Regardless of Cumberland and Campbelltown being promoted

State League action from Bailey Reserve Cumberland

before the Grand Final, the match lived up to its name. With nothing but pride and cash on the line, both clubs fought to become 2004 Premier.

Campbelltown held on to win 2-1 after Theo Anastasiou picked his spot to score the decisive winning goal after a clever piece of play from Joe Rechichi.

#### State League rundown 2003

**CAMPBELLTOWN CITY (Champions)** – After a year in the state league the Red Devils leapt back into the premier league. Coach Maurice Natale rebuilt his squad by recalling some ex-Red Devils back to Newton Sportsfield. Natale's job was complete with Joe Rechichi and Adam Staltari in glistening form coupled with the experience of Theo Anastasiou and the sublime goalkeeping skills of Archie Christakos. Tony Scalzi capped off a fine year by winning the Bob Telfer medal with joint winner, Hills' Fraser Keegan in a season to remember.

**CUMBERLAND UNITED (2nd)** – Coach Sergio Melta had instant success with Cumberland in his first season in charge. The Foxes quickly adapted to Melta's disciplined regime and returned to the big time after a three-year absence. After an ordinary start to the season Cumberland picked up the pace and gave eventual champion Campbelltown a tight finish to the season.

**PIRATES (3RD)** – Pirates tried gallantly to win its place in the premier league after being relegated in 2002. Pirates missed the premier league boat after being bundled out of the state league preliminary final by Campbelltown (1-2). Adelaide United's Richie Alagich gave Pirates a much-needed boost when he re-settled in Adelaide after a stint with the NSL's Brisbane Strikers.

**PANTHERS (4TH)** – Panthers exceeded all expectations by finishing 4th – its highest ever finish after only four years in the South Australian Soccer Federation. After a solid youth policy Panthers recruited well in 2003 to give the side a splendid balance of youth and experience.

**NOARLUNGA (5TH)** – Noarlunga coach David Leane worked wonders with his hard-working southern squad. Noarlunga at times became giant-killers and took some big scalps. Eventually Noarlunga were let down by failing to punish the clubs at the lower end of the table. It's hoped that Leane will stay and achieve Noarlunga's dream of premier league promotion for the first time since 1982.

**DEMONS (6TH)** – Demons displayed that the club was capable of finishing in the top-5 with the scalp of champion Campbelltown City in a 1-0 win during the minor-round. Once again Demons suffer the

consequence of having most of their senior squad training in Adelaide – hardly good preparation for consistency. Ryan Mitchell, Anthony Fasciano, John Bellefemini and Mark Henry were standouts for the Port Pirie based club.

**COBRAS (7TH)** – Cobras promised to deliver a top-5 finish after an admirable pre-season. After a horrible start Cobras found their state league feet – but at the wrong end of the season. Sergio Melta medal winner John Fontanarosa returned to federation soccer to bolster the squad.

**ADELAIDE HILLS (8th)** – Hills struggled with consistency after holding promoted Cumberland to a 0-0 draw and then falling away with some indifferent results. Evergreen Fraser Keegan, who was equal joint winner of the 2003 Bob Telfer medal with Campbelltown's Scalzi, was solid for Hills. The club must produce more players of Keegan's calibre to climb the ladder.

**SALISBURY (9TH)** – Salisbury was the breeding ground for some of the state's best young talent with Adelaide United's Carl Veart the late Paul Wilde and Marconi Stallions' Angelo Costanzo a testimony to the club's prior success. Success nonetheless has eluded the club since it fell out of the premier league in 1997. Salisbury needs to regroup and without a doubt the club will reach the dizzy premier league heights once again.

**WESTERN STRIKERS (10TH)** – Strikers appeared to be capable of inflicting a lot of damage to state league opponents but fell away at vital times of the season with a string of run of the mill results that cost the club dearly. Strikers is another club which has produced stars of Australian soccer including Adelaide United captain Aurelio Vidmar and teenage sensation Adriano Pellegrino. Strikers have appointed former Adelaide City midfielder Carlo Talladira to lead the club into a better 2004.

**SEAFORD (11TH)** – The coastal southern club again struggled to make a state league impact. For the good of the game it's hoped that Seaford's rising population will attract a good core of youngsters for the future of the game in the south. Seaford needs to flourish.

**PORT PIRIE (12TH)** – Port Pirie had one of its worst seasons in its 54-year existence with a shock last place state league finish. Pirie's aim to develop the local talent is probably the regional club's best bet of long-term survival. No doubt Pirie will come out in 2004 and fix the short-term damage which was inflicted on the proud club.

## FEDERATION CUP 2003

### VAL MIGLIACCIO

Raiders won the 2003 Federation Cup with conviction after hammering MetroStars 5-2 at Hindmarsh Stadium on a perfect July afternoon.

Raiders broke an eleven-year Federation Cup final drought with the timely victory after MetroStars took out the pre-season Summer Night Series with a 2-0 win over Blue Eagles.

Raiders' gun striker Jason Trimboli snared a hat-trick in a Cup day to remember for the Gepps Cross based club.

Robbie Saraceno and Dalibor Barisic completed the rout after MetroStars' Nathan Day was sent off in the 40th minute with Raiders already leading 2-0.

MetroStars' strikers Vince Schimizzi and Frank Sergi pegged back the deficit with late goals in the second-half.

After a mid-winter final the Federation Cup kicked off under the hot March autumn sun.

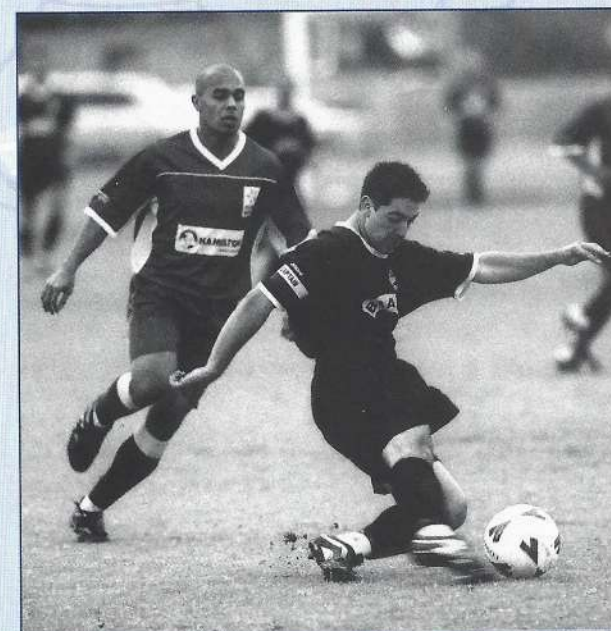

2003 champion Blue Eagles was the first big gun to be eliminated by state league opposition.

Blue Eagles was ousted by newly promoted Cumberland (0-1) with all other round 1 favourites getting through to the next stage of the knockout phase.

Another state league club, Campbelltown, became the next giant-killer after knocking over Top-5 contender White City 1-0 in a heart stopper.

Northern Demons had a field day in round 2 and thumped Broken Hill (10-1).

Campbelltown took one more premier league scalp when it defeated Galaxy 1-0 but bowed out to MetroStars (0-1) in the semi-final.

Federation Cup action 2003

Olympic was quietly going about its Federation Cup business without any fuss after beating Croydon Kings (4-2) in round 2 followed by an impressive 2-0 win over Cumberland.

Olympic had another hurdle to contend with after it was drawn to meet the hot favourite Raiders in the semi-final.

Raiders won the match 1-0, but Olympic walked away

with their heads held high after a sterling performance – without reward.

Olympic pushed Raiders with some of the best attacking flair seen in the Federation Cup.

The woodwork saved Raiders from an earlier than anticipated exit with the score locked in at 0-0.

Raiders lived to tell the tale and were deservedly crowned 2003 Federation Cup champions.

## NSL OVERVIEW 2003/04

VAL MIGLIACCIO

THE September birth of Adelaide United brought a welcome sigh of relief to the soccer faithful in South Australia.

South Australian soccer fans were bracing themselves for a season without a NSL club for the first time since 1977, when South Australia entered the inaugural competition with West Adelaide and Adelaide City Force.

Force decided to pull out of the national competition at the end of August after a docile annual general meeting.

Despite the uncertainty surrounding the NSL, Gordon Pickard, one of the state's most passionate soccer supporters decided to underwrite the United venture through his Fairmont Homes empire.

Pickard has continually poured money into Force and West Adelaide, along with the state's grass roots soccer.

The NSL exit of Force was the final straw for the game in South Australia.

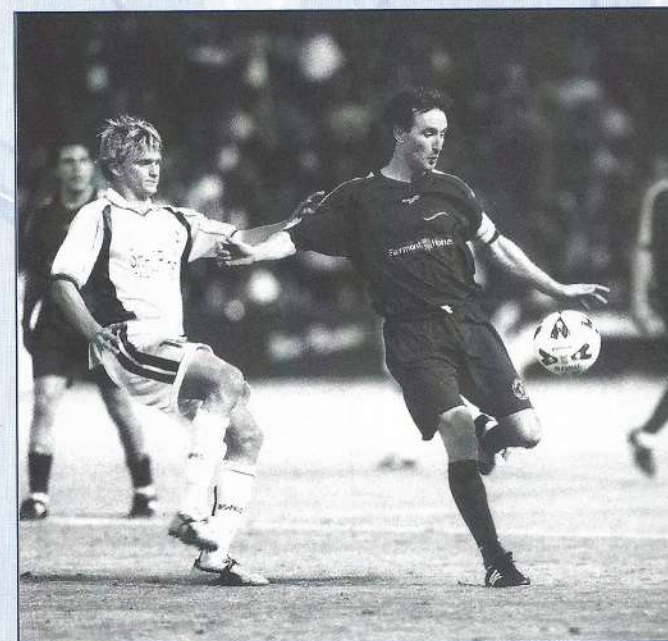

The time had come to either make the game come alive or completely break the ailing momentum that had tarnished state soccer after too many years of infighting.

Pickard remained unfazed and lived up to his respectable reputation, which has followed him throughout the business world in South Australia.

Pickard had the vision and the mettle to realise another South Australian dream when United was historically accepted into the NSL for the 2003/04 season.

United's NSL acceptance was painless – the powerbrokers really had no choice but to accept a bid no matter how audacious it was from a club to represent South Australia.

The challenge was on, nonetheless, for the United adventure.

Aurelio Vidmar, right, in action for Adelaide United

Would South Australians accept a brand new NSL club, which had risen from necessity?

The formula wasn't new – South Australians had been screaming for a state type soccer club for decades.

Quite simply, AFL brothers the Adelaide Crows and basketball's Adelaide 36s proved that clubs that carried the state colours would capture the mainstream audience.

United was hastily assembled with former Oceania president Basil Scarsella hand-picked to lead as president along with ex-Formula 1 chief executive Sam Ciccarello, who took on the role as project manager.

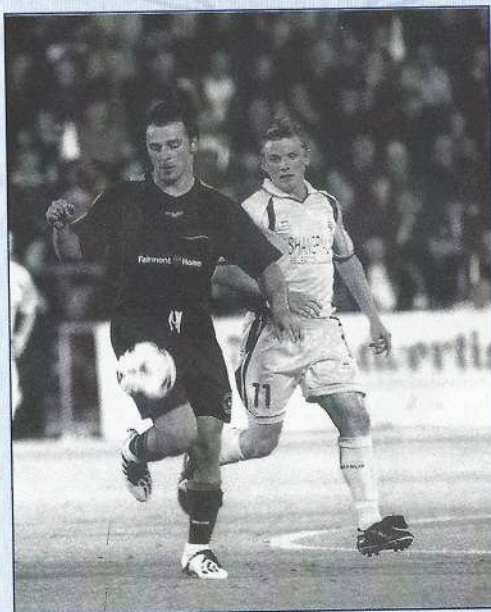

Only days later United made its first coaching appointment with John Kosmina leading an ambitious South Australian bid.

The jigsaw quickly fell into place when Aurelio Vidmar was made captain and assistant coach, followed by the likeable John Perin, who became Football Manager.

Kosmina was never overwhelmed by the task at hand of assembling a squad in record time.

Credit must be given to the Australian Soccer Association who gave Adelaide five weeks grace from the NSL so it could get its house in order.

And the timing was perfect.

Goran Lozanovski, front, doing what he does best for Adelaide United

October the 17th was United's first historical appearance in the NSL.

Despite a virtual non-existent lead up and pre-season, United managed to attract a sell out for Hindmarsh Stadium.

Unbelievably United arrived in town in front of 15,568 parochial supporters at Hindmarsh Stadium with an estimated 3,000 fans turned away.

United's opponent Brisbane Strikers took a back seat to the hype and publicity that surprised even the most ardent sceptics.

United's delirious supporters turned it on as South Australian soccer had finally risen from the ashes.

Carl Veart sealed the win with the only goal of the game in the 38th minute.

Veart continues to excel and in February still led United's goalscoring charge with 9 goals.

But again the sceptics were out in full swing – 'United's massive first game crowd was a one off', they said.

Statistics now tell us that until mid-February, United is averaging over 12,500 supporters to Hindmarsh Stadium – 3,000 above the well-supported Perth Glory, who have led the market since 1996.

Kosmina pledged that Adelaide would be a top-6 side, and, after 19 rounds of football United is firmly entrenched in 4th position.

Once the United supporter excitement was over it was the players turn to answer some serious questions as to whether Adelaide had the spirit to be a top-6 threat.

And they did.

Credit must go to Kosmina as he unleashed a largely inexperienced squad which was held together by the return of Ross Aloisi from Italy, Richie Alagich, Veart, Vidmar, Goran Lozanovski and the rugged Mike Valkanis.

The old heads initially held their nerve and steadied the United ship, but in the New Year it was the turn of the young brigade.

David Terminello struck a purple patch in a 2-0 win over South Melbourne and is continuing to shine in the absence of the long-term injured Goran Lozanovski.

Kosmina decided to strengthen United after a spate of injuries and signed Fred Agius and Michael Brooks in the New Year.

Agius's signature was remarkable considering the talented youngster played for the Joeys in the 2001 World Cup, made a move to Sydney Olympic then gave the game away after becoming disillusioned.

Agius switched sport and spent 2003 with SANFL club Central Districts.

His return to soccer was met with enthusiasm and the diminutive attacking midfielder has already become a crowd favourite with his slinky left foot skills.

Brooks, 32, made his welcome return to the NSL after a five-year absence and responded to Kosmina's SOS call with a timely goal after just six minutes on the park in an exciting 4-3 win over Melbourne Knights in Melbourne.

It is hoped that United will continue to roll on and seriously prove that South Australian soccer is booming.

The timing is perfect for a soccer revolution in Australia and with the Australian Soccer Association promising to raise the bar in next season's NSL – United's short term success cannot be ignored any longer.
